The information provided herein is true and accurate to the best of my knowledge, and American Equity and my agent may rely on this information. By signing below, I acknowledge the agent has presented a recommendation to purchase an annuity and that this annuity meets my long-term financial objectives. I acknowledge my agent has fully explained the Surrender Charges and Surrender Charge period and I have reviewed the applicable disclosure statement with my agent in determining this annuity product is suitable for my financial situation. 9. AGENT'S STATEMENT

I have exercised reasonable diligence, care and skill to know the customer's financial situation, insurance needs and financial objectives. I have a reasonable basis to believe the recommendation to purchase this annuity meets the customer's needs over the life of the annuity, based on the information known at the time of the recommendation. If my recommendation includes the replacement of an existing life insurance policy or annuity contract, I have considered the whole transaction and I believe the new annuity substantially benefits the customer in comparison to the replaced product. I have made a written record of the recommendation I communicated to the Owner and the basis for that recommendation. I have not made any representations or promises about the future value of this annuity that differ from the company provided materials.

By signing this, I attest that prior to the recommendation or sale of this annuity, I communicated the required ADI or CRS. I also provided a copy of this completed Suitability Acknowledgement to the customer at the time of sale. I attest that I will maintain or be able to make available to American Equity or an insurance regulator these records, including the written record of the recommendation and the basis for that recommendation, in addition to other records of information collected from the customer, disclosures made to the customer (including written and verbal disclosures), and other information used in making the recommendations that were the basis for this purchase. I agree that I will maintain this information for the time period prescribed by the laws of the issue state.
