How will I sign the Speed eTicket?

Your signature is affixed when you submit the Speed eTicket.

Does the Proposed Insured have to sign the Speed eTicket?

No, the Proposed Insured will sign the completed application after the interview is complete either by applying an eSignature or print and wet sign.

How will I know the status of the Speed eTicket?

You will receive a confirmation email upon receipt of the Speed eTicket and will be kept apprised of the status of the application and paramed process. In addition, you will receive an email with a pdf of the application when the interview is complete and Mutual of Omaha receives the application.

Does the Proposed Insured have to have an email address for me to use Speed eTicket?

No, the Proposed Insured is not required to have an email address. ExamOne will communicate with them through telephone and regular mail if they do not have an email address.

How does the paramed get ordered?

ExamOne will order the paramed.

Do I need to collect the premium?

Just like with a full e-App, you have the option of a monthly bank withdrawal using monthly automatic bill payment (BSP), or you may collect the premium when the policy is delivered. No money will be collected at the time the Speed eTicket is submitted.

Who makes the change if my client decides they want a different face amount, or any other act of an agent?

If your client has any changes, you will be notified to contact your client to discuss the change.

How long will the fulfillment process take?
