## Minimizing hassle and saving paper by shifting in-force correspondence for agents online

Protective Life is dedicated to providing quality service, building trust and simplifying everything for you and our mutual customers. We are always looking for ways to enhance the agent experience and make doing business with us quicker and easier.

To this end, Protective in-force policy correspondence currently being mailed, including client activity reports, will be available online at [MyProtective.com](https://myprotective.com), effective July 15, 2021. This change will not impact correspondence mailed directly to customers.

With this new digital enhancement, agents will have the convenience of accessing client activity reports, statements and confirmation notices anytime, anywhere.

To view in-force correspondence, log on to [MyProtective.com](https://myprotective.com) and take the following steps:

- For life correspondence, visit *My Business > Reports & Tools > Client Correspondence*.
- For annuity correspondence, visit *My Business > Existing Business > Annuity Contracts*
- For additional instructions, download a job aid at [myprotective.com/eCorrespondence](https://myprotective.com/eCorrespondence)

For agents who haven't registered for a MyProtective.com account, set up is quick and simple. [Click here](#) to register today.

As always, we appreciate your business and look forward to continuing to enhance the agent experience.

**If you have additional questions, please contact your Protective Life representative.**
