

Overview of Changes by Product Type

**All screenshots reflect how the screens will look on 12/16/2021*

- Product Type: Accidental Death
 - No Changes

The screenshot shows the 'Carrier and Product' selection interface. At the top, there are two dropdown menus: 'State' set to 'Nebraska' and 'Product Type' set to 'Accidental Death'. To the right of these is a blue button labeled 'Find Available Products'. Below the dropdowns is a table with three columns: 'Carrier', 'Product', and 'IGO e-App'. The table contains one row with the Mutual of Omaha logo in the 'Carrier' column, 'Guaranteed Advantage - Brokerage' in the 'Product' column, and a 'Select' button in the 'IGO e-App' column.

- **NEW** Product Type: Indexed Universal Life
 - All Indexed Universal Life products will now be listed under their own product type instead of the Universal Life product type

The screenshot shows the 'Carrier and Product' selection interface for Indexed Universal Life. At the top, there are two dropdown menus: 'State' set to 'Nebraska' and 'Product Type' set to 'Indexed Universal Life'. To the right of these is a blue button labeled 'Find Available Products'. Below the dropdowns is a table with three columns: 'Carrier', 'Product', and 'IGO e-App'. The table contains six rows, all with the Mutual of Omaha logo in the 'Carrier' column. The 'Product' column lists: 'Income Advantage IUL - Drop Ticket', 'Income Advantage IUL - Full Application', 'Indexed Universal Life Express', 'Life Protection Advantage IUL - Drop Ticket', 'Life Protection Advantage IUL - Full Application', and 'Professional Advantage IUL - Full Application'. Each row has a 'Select' button in the 'IGO e-App' column.
