New form for Illinois cases: Illinois Secondary Addressee Designation

Illinois regulations now require that applicants be offered the option to identify a second person to receive lapse and grace notices. Clients must be offered the option at the time of the application.

If the option is taken, a copy of the notice of lapse or termination that is sent to the policyowner will also automatically be sent to the second person, selected by client, who can assist in making timely payments in order to prevent a lapse in coverage.

If the client elects a secondary designee, the form linked below should be dated and signed, and returned to AIG. It may be returned with the application.

Form:

Note: The policyowner may change the designation at any time the policy is in force by submitting a written notice to the Company containing the name, address and telephone number of the secondary addressee.
