A better experience from application to delivery

Simply start the digital application — we'll take it from there.

Ticket / Start App

Advisors can choose to drop a ticket on our Partner Dashboard or complete the entire advisor-assisted digital application. Drop ticket is also available though unique agency URL, direct link, or third-party vendor platforms.

Decision

Once an underwriting decision has been made, a policy offer is sent to the GA, or based on preferences it may go directly to the applicant.

Contract

The client receives a secure email link to review and accept the policy offer.

Digital App

Clients will receive an email and/or text with a link to begin our <u>digital application</u> — with the option to schedule a phone interview. The online journey takes less than 20 minutes to complete and phone support is available for questions during business hours.

Medical Evidence

If required, Legal & General America orders paramed exams, APSs and reports.

Apply by Phone

For clients who prefer a phone interview, agents can schedule a date and time during the drop ticket process. Appointment information is emailed to the client and takes about 30 minutes to complete.

Signature: When the interview concludes, the client signs the application via Voice or eSignature.

Accelerated Underwriting

Underwriting rules run during the application process and exam-free opportunities are built-in for eligible clients.

Policy Payment + Download

Once accepted, the client can pay via EFT or credit card (if available). When payment is secured the client downloads their digital policy documents in just a few clicks.

Commission

Policy is current dated so you get your commissions as much as 21 days faster.
