## Best Practices

### Top 3

- Always include special instructions on a cover sheet.
- Include an in-good-order EFT form for **all bank draft cases** and note on the coversheet if the first premium will be drafted. Available for all modes (monthly, quarterly, semi-annual, annual).
- Always make sure the ticket/application information is correct so it will match the client interview information.

### FYI

- **1035 Exchange Follow-Up Calls:** Initial calls will be made 2 - 3 business days after the exchange has been initiated. Follow-up calls will be made every 1 - 2 weeks (based on carrier) on initiated cases that are in-good-order.
- **Wire Transfers are not instantaneous.** Please allow a minimum of 4 hours after initiation of a wire to Lincoln before trying to confirm its receipt. More information: [Wire and ACH Instructions](#)
- **Suitability review for VUL** can take time. Send all VUL forms through the outside broker-dealer (OBD) or Lincoln Financial Securities (LFS) representative for suitability review as soon as possible.
- **VUL policies** will be placed in-force within 2 business days from the date in which the final placement restrictive requirement was received in-good-order.

### FORMS

- Complete application and all forms in their entirety, including the Agent's Report at submission, with correct agent code and agency/broker dealer, to ensure compensation is paid correctly.
- Download and submit the latest version of the application, forms and product illustration.
- Get signatures and dates on all forms. Trust/Corporate owned policies require the trustee/officer to sign with a title.
- The Replacement Notice [Form 33503] must be signed on/or before the application signature date. **For ticket submissions**, the Replacement Form [LF10087] must be signed on/or before the earliest solicitation signature date.
