## Consumer Social Media Posts

Utilize the powerful tool of social media to help educate consumers on the benefits of disability income insurance. To help you spread the word to your attorney, dentist, optometrist and veterinarian connections, we've created a group of social posts that highlight how disability income insurance can provide income protection customized to their needs.

### Here's how to use the posts:

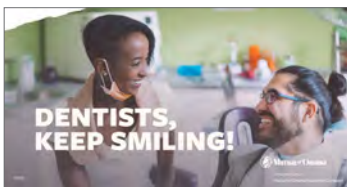

1. Click on the social post thumbnail below
2. Right click on the image after it opens in a new tab and select "Save As" to save as an image on your computer
3. When you're ready to post, simply copy the text to the right of the image
4. Paste the text into the post creator on your social profile and find your saved image on your computer

### Attorney Post

Attorneys work hard to offer advice and represent their clients' best interests. But how would they cover financial obligations if they became sick or injured and couldn't work? Disability income insurance can help attorneys take care of what matters most. #DIMade4You

### Dentist Post

Dentists strive to keep our teeth clean and healthy - they deserve a financial strategy that keeps them smiling, too. Disability income insurance can help dentists continue to focus on our oral health while keeping their income protected.

### Veterinarian Post

Veterinarians are dedicated to the health of small animals. How would they cover financial obligations if they become sick or injured and couldn't work? Disability income insurance can help vets take care of what matters most.
