

# Additional resources

We're so glad you attended our recent Care Solutions University, and we hope you enjoyed learning more about long-term care opportunities and our Care Solutions product portfolio. Even more than that, we want to make sure you have the tools you need to succeed with future LTC opportunities, which includes access to our CS Online website.

## CS Online website

- **More about us:** Learn more about what else makes OneAmerica® a company you want to work with to serve your clients' diverse financial needs
- **Identifying prospective clients and having the LTC conversation:** Long-term care products can offer clients peace of mind at many different stages in life. Which of your clients might be ready to start the conversation today?
- **Having the LTC conversation:** Resources to help you start the LTC conversation with your clients.
- **Doing business with us:** Understand the basics of our underwriting processes and submitting and application.
