Protective and Protective Life refers to Protective Life Insurance Company.

While using ExtendCare benefits, you won't be required to pay premiums or policy expenses, and after three years of chronic illness, all premiums and expenses are permanently waived.

That means for the same premium, you can add a key rider to your life insurance policy to help relieve some of the financial burden if you were to develop a chronic illness, and still be covered beyond life expectancy.

Let's talk about how Protective Indexed Choice UL with ExtendCare may be the right fit for you.

This illustration assumes that the currently illustrated non-guaranteed elements will continue unchanged for all years shown. This is not likely to occur, and actual results may be more or less favorable than those shown. As a result, additional premium outlays may be required to keep the policy in force or to achieve desired results.
