Help protect your client's income... at a discount

Disability income insurance can help a business owner on both a personal and business level.

In the event one of your clients become too sick or hurt to work, our disability income insurance policies can help to replace a portion of their lost earnings.

Individual disability income insurance is a much sought after coverage that can be made available to company employees.

Disability Income Insurance

Designed especially for professionals, business owners and corporate executives, a Radius Choice disability income insurance policy helps protect a portion of the insured's income should he/she become too sick or hurt to work.

The policy helps protect your client's income with portable, non-cancelable coverage to age 65.1 It can be used to supplement any Group Long Term Disability (GLTD) coverage that may not be adequate to meet your client's needs.2
