

Important information for insured customers in Indiana

In response to challenges created for Indiana residents by recent tornadoes and severe storms in some areas of the state, we are working with state regulators to support affected customers during this difficult time.

Effective immediately, a temporary suspension is in effect on lapses, terminations, cancellations, and other time-sensitive provisions and requirements of the insurance policies and annuity contracts **for insured AGL and USL customers residing in the impacted counties listed at right.**

This action is taken to protect the policyholders from unintentional lapse and termination. We will process other requests to help affected policyholders in as timely a manner as possible. **The temporary suspension is in effect from March 30, 2023, through June 4, 2023.**

If an insured receives a notice regarding the lapse, termination, cancellation, non-forfeiture option, or another time-sensitive provision of their policy or contract, they should contact our customer service center. See the link below for contact information.

Our goal is to take care of our customers. We encourage insureds living in Indiana to contact their agents or our customer service center should they have any questions regarding their insurance policies or annuity contracts.
