OUTLINE OF MEDICARE SUPPLEMENT COVERAGE – COVER PAGE BENEFIT PLANS A, F, G, HIGH DEDUCTIBLE G AND N

This chart shows the benefits included in each of the standard Medicare supplement plans. Every company must make Plan A available. Some plans may not be available in your state. Only applicants **first** eligible for Medicare before 2020 may purchase Plans C, F and High Deductible F.

Note: A ✓ means 100% of the benefit is paid.

¹Plans F and G also have a high deductible option which require first paying a plan deductible \$2,700 before the plan begins to pay. Once the plan deductible is met, the plan pays 100% of covered services for the rest of the calendar year. High deductible plan G does not cover the Medicare part B deductible. However, high deductible plans F and G count your payment of the Medicare Part B deductible toward meeting the plan deductible.

²Plans K and L pay 100% of covered services for the rest of the calendar year once you meet the out-of-pocket yearly limit.

³Plan N pays 100% of the Part B coinsurance, except for a co-payment of up to \$20 for some office visits and up to a \$50 co-payment for emergency room visits that do not result in an inpatient admission.

DISCLOSURES

Use this outline to compare benefits and premiums among policies.

PREMIUM INFORMATION

The premium for your policy may change. A premium change for any other reason can occur on any policy renewal date. We cannot make such a change unless we make the same change to all policies of this form issued in the same state to persons of the same classification.

RISK CLASS RATING

If, according to our underwriting standards, you are overweight or underweight for your height, you will be considered to be a greater insurable risk. In such a case, your premium will be priced either as Class I – 10% or Class II – 20% higher than the rates illustrated, based on your Body Mass Index (BMI) reading. Risk class rating will not be applicable when you apply for coverage during an open enrollment or guaranteed issue period.

HOUSEHOLD PREMIUM DISCOUNT

You are eligible for a household premium discount if: (a) you reside with your spouse (including domestic partner) of any age or (b) for the past year you have resided with at least one, but not more than three, other adults who are age 60 or older. The discounted premium will be priced 12% lower than the rates illustrated. The policy's household premium discount will be removed if the other adult or spouse no longer resides with you (other than in the case of his or her death).

READ YOUR POLICY VERY CAREFULLY

This is only an outline describing your policy's most important features. The policy is your insurance contract. You must read the policy itself to understand all of the rights and duties of both you and your insurance company.

RIGHT TO RETURN POLICY

If you find that you are not satisfied with your policy, you may return it to 3300 Mutual of Omaha Plaza, Omaha, NE 68175. If you send the policy back to us within 30 days after you receive it, we will treat the policy as if it had never been issued and return all your payments.

POLICY REPLACEMENT

If you are replacing another health insurance policy, do NOT cancel it until you have actually received your new policy and are sure you want to keep it.

NOTICE

The policy may not fully cover all of your medical costs. Neither we nor our agents are connected with Medicare. This outline of coverage does not give all the details of Medicare coverage. Contact your local Social Security office or consult "Medicare & You" for more details.

COMPLETE ANSWERS ARE VERY IMPORTANT

When you fill out the application for the new policy, be sure to answer truthfully and completely all questions about your medical and health history. The company may cancel your policy and refuse to pay any claims if you leave out or falsify important medical information. Review the application carefully before you sign it. Be certain that all information has been properly recorded.

EXCLUSIONS

Exclusions apply to your coverage. Please be sure to review the exclusions in your policy. This policy does not cover Part A benefits for benefit periods that begin while this policy is not in force, and other exclusions apply.

I. Agreement and Authorization

IMPORTANT STATEMENTS

- You do not need more than one Medicare supplement policy.
- If you purchase this policy, you may want to evaluate your existing health coverage and decide if you need multiple coverages.
- If you are age 65 or older, you may be eligible for benefits under Medicaid and may not need a Medicare supplement policy.
- If, after purchasing the policy, you become eligible for Medicaid, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, during your entitlement to benefits under Medicaid for 24 months. You must request this suspension within 90 days of becoming eligible for Medicaid. If you are no longer entitled to Medicaid, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing Medicaid eligibility. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- If you are eligible for, and have enrolled in a Medicare supplement policy by reason of disability and you later become covered by an employer or union-based group health plan, the benefits and premiums under your Medicare supplement policy can be suspended, if requested, while you are covered under the employer or union-based group health plan. If you suspend your Medicare supplement policy under these circumstances, and later lose your employer or union-based group health plan, your suspended Medicare supplement policy (or, if that is no longer available, a substantially equivalent policy) will be reinstated if requested within 90 days of losing your employer or union-based group health plan. If the Medicare supplement policy provided coverage for outpatient prescription drugs and you enrolled in Medicare Part D while your policy was suspended, the reinstated policy will not have outpatient prescription drug coverage, but will otherwise be substantially equivalent to your coverage before the date of the suspension.
- Counseling services may be available in your state to provide advice concerning your purchase of Medicare supplement insurance and concerning medical assistance through the state Medicaid program, including benefits as a Qualified Medicare Beneficiary (QMB) and a Specified Low-Income Medicare Beneficiary (SLMB).

AUTHORIZATION TO DISCLOSE PERSONAL INFORMATION TO UNITED WORLD LIFE INSURANCE COMPANY

- I authorize any physician, medical or dental practitioners, hospitals, clinics, pharmacies, pharmacy benefit managers, other medical care facilities, health maintenance organizations and all other providers of medical or dental services, the group of companies which presently includes Omaha Insurance Company, Mutual of Omaha Insurance Company, United of Omaha Life Insurance Company, Companion Life Insurance Company, and any additional companies which may become part of this group of companies and their successors, along with other persons and entities which act on behalf of those companies to provide services to them and other insurance companies to disclose Personal Information about me to United World Life Insurance Company. Unless revoked earlier, this authorization will remain in effect for 24 months from the date I sign this application. I understand that I may revoke this authorization at any time, by written notice to: ATTN: Individual Underwriting, United World Life Insurance Company, P.O. Box 3608, Omaha, NE 68103-3608. I realize that my right to revoke this authorization is limited to the extent that United World Life Insurance Company has taken action in reliance on the authorization or the law allows United World Life Insurance Company to contest the issuance of the policy or a claim under the policy.
- "Personal Information" means all health information, such as medical history, mental and physical condition, including the presence of HIV infection, AIDS or ARC, prescription drug records, drug and alcohol use and other information such as insurance claims information about me. Personal Information does not include Psychotherapy Notes, which are notes recorded by a health care provider who is a mental health professional documenting or analyzing the contents of conversation during a counseling session, which notes are separated from the rest of the person's medical record. Certain information, such as that relating to prescriptions, diagnosis and functional status, is not included in the term Psychotherapy Notes.
- The Personal Information will be used to determine my eligibility for insurance and to resolve or contest any issues of incomplete, incorrect or misrepresented information on my application which may arise during the processing of my application or in connection with claims for insurance benefits. This authorization will not be used if the applicant is in an open enrollment or guaranteed issue period.
- If the person or entity to whom Personal Information is disclosed is not a health care provider or health plan subject to federal privacy regulations, the Personal Information may then be subject to further disclosure by that person or entity without the protections of the federal privacy regulations.
- I understand that I may refuse to sign this application. I realize that if I refuse to sign, the insurance for which I am applying will not be issued.
- I understand that I will receive a copy of the signed application. A copy of this application is as effective as the original. I acknowledge and agree that if there is more than one applicant on this application, all information provided may be reviewed or shared with the other applicant. I understand that, upon acceptance of the completed application, each applicant will receive a separate policy and a completed and signed application will become part of each applicant's policy.

I represent that my answers and statements on this application are true and complete to the best of my knowledge and belief. I understand that my policy benefits can start no earlier than my Medicare effective date, my first month's premium has been received and/or processed and my application has been approved by United World Life Insurance Company.

NOTICE TO APPLICANT REGARDING REPLACEMENT OF MEDICARE SUPPLEMENT INSURANCE OR MEDICARE ADVANTAGE

Save this notice! It may be important to you in the future.

According to your application, you intend to terminate existing Medicare supplement or Medicare Advantage insurance and replace it with a policy to be issued by United World Life Insurance Company. Your new policy will provide thirty (30) days within which you may decide without cost whether you desire to keep the policy.

You should review this new coverage carefully. Compare it with all accident and sickness coverage you now have. If, after due consideration, you find that purchase of this Medicare supplement coverage is a wise decision, you should terminate your present Medicare supplement or Medicare Advantage coverage. You should evaluate the need for other accident and sickness coverage you have that may duplicate this policy.

Statement to Applicant by Issuer, Agent, Broker or Other Representative:

I have reviewed your current medical or health insurance coverage. To the best of my knowledge, this Medicare supplement policy will not duplicate your existing Medicare supplement or, if applicable, Medicare Advantage coverage because you intend to terminate your existing Medicare supplement coverage or leave your Medicare Advantage plan. The replacement policy is being purchased for the following reason(s) (check one):

State law provides that your replacement policy or certificate may not contain new preexisting conditions, waiting periods, elimination periods or probationary periods. The insurer will waive any time periods applicable to preexisting conditions, waiting periods, elimination periods, or probationary periods in the new policy (or coverage) for similar benefits to the extent such time was spent (depleted) under the original policy.

If, you still wish to terminate your present policy or certificate and replace it with new coverage, be certain to truthfully and completely answer all questions on the application concerning your medical and health history. Failure to include all material medical information on an application may provide a basis for the Company to deny any future claims and to refund your premium as though your policy had never been in force. After the application has been completed and before you sign it, review it carefully to be certain that all information has been properly recorded.

Do not cancel your present policy or certificate until you have received your new policy and are sure that you want to keep it.

You may obtain dental care for covered dental services from any licensed dentist. No matter which dentist you choose, you will be eligible for some level of benefits for covered dental services. However, when you use an in-network dentist who participates in the PPO network, that dentist has agreed to provide dental care at negotiated fees. For in-network dentists, you will not be responsible for the difference between your dentist’s submitted amount and the scheduled fee amount that the dentist has contractually agreed to accept as payment in full. The PPO network used by this policy is DenteMax Plus.

If you select a dentist who does not participate in the PPO network, your out-of-pocket expenses may be greater. For out-of-network dentists, you will be responsible for the difference between your dentist’s submitted amount and our payment. The amount we use to calculate our payment will be the lesser of the dentist’s submitted amount or the 80th percentile amount for covered dental services as identified by the Dental Charges Database.

Definition – *Allowed amount* means the amount used to calculate the portion of the dental payment for which you are responsible.

- (a) For an in-network dentist, the allowed amount is the lesser of the submitted amount or the scheduled fee. If the submitted amount is higher than the scheduled fee, you will not be responsible for paying the difference;
- (b) For an out-of-network dentist, the allowed amount is the lesser of the submitted amount or the 80th percentile amount for covered dental services as identified by the Dental Charges Database. If the submitted amount is higher than the 80th percentile amount, you will be responsible for paying the difference.

Waiting Period – Class III covered dental services are subject to the waiting period shown in the above Dental Benefits Summary chart. You must satisfy the waiting period before benefits are paid for these services. The waiting period begins on the policy effective date and is applied once during the lifetime of your policy.
