Take back time. Go online!

Built with you in mind, this convenient service center puts you in charge. Save time with fast access to information and easy account updates.

View annuity values and performance

Stay up to date when it's convenient for you. MyAthene lets you track your annuity's performance any time of day, even weekends, and review the activity on your contract.

Download tax documents

No more waiting on the mail or sorting through paper records at tax time. Prepare your return at your convenience with Athene tax documents at your fingertips. The current tax year's documents are typically available by late January, and you have 24/7 access to tax documents from the last four years.

Request withdrawals from your contract

One-time and recurring withdrawals give you access to a portion of your contract value when you need it. Easily complete your request online for faster access to your money.

Change a beneficiary

Make beneficiary changes any day, any time with easy account management tools.

Manage Electronic Funds Transfer info

Keep your banking information current so if you take a withdrawal from your annuity, your money is securely deposited without unnecessary delays.

Reallocate your funds

During your contract renewal period, you can change how your funds are allocated with a few easy clicks to help maximize your annuity's potential.

Keep contact info up to date

If you move, change phone numbers or switch email addresses, self-service tools let you make updates so you'll continue receiving important information.

Access documents

Want less paperwork to manage? Reduce paper clutter and save time when you choose to get your documents online instead of in the mail. We'll send you an email when your documents are available, and you can opt back into paper mailings any time if you change your mind.

(You may still receive important information via U.S. mail.)
(Note: Not all online self-service features are available for all contracts.)
