Premium Allocation

Premium we credit to your account on an Allocation Date will be in the percentages you designate below. Premium we credit to your account on a date other than the Allocation Date will be allocated to the short-term holding account until the next Allocation Date. On a monthly deduction date, account values will be reduced by the pro-rata share of monthly expense charges, cost of insurance charges and any applicable monthly rider costs. The monthly deduction date is the issue date of your policy and each monthly anniversary of the issue date. The Allocation Date is the 10th of each calendar month.

Important Disclosures

This is a flexible premium adjustable life insurance policy with index-linked interest crediting options based on financial market indices. This is not an investment vehicle or variable life insurance policy. If you allocate premiums to the index account, the policy values will be affected by the change in the financial market indices. This life insurance policy does not directly participate in any equity, bond, mutual fund, commodities or other securities investments.
