WHY TERM LIFE INSURANCE?

Term life insurance can help with the loss of a contributing member of the household by helping provide benefits to assist with the costs for child care, education, mortgage expenses, and more. It can give you coverage for a competitive monthly cost, perhaps for less than your daily cup of coffee, and provide you with confidence knowing you've planned for the well-being of your family.

A TERM LIFE POLICY CAN PROVIDE:

- **A guaranteed monthly income stream** to help with the day-to-day living expenses of those left behind
- **A cash resource** to help pay unexpected medical costs that can arise from a qualifying chronic, critical, or terminal illness
- **Ability to ensure funds are distributed** the way you wish among your beneficiaries
- **Protection against the loss of a key employee** in a small or family-owned business
- **Payment** of your final expenses

INCLUDED BENEFITS (WHERE APPROVED³):

- Terminal Illness Accelerated Death Benefit Rider
- Chronic Illness Accelerated Death Benefit Rider
- Critical Illness Accelerated Death Benefit Rider

ADDITIONAL BENEFITS AVAILABLE:

- Monthly Disability Income Rider
- Income Protection Option
- Disability Waiver of Premium Rider
- Children's Benefit Rider
- Accidental Death Benefit Rider

³ Benefits may vary by state.

Benefits provided through the Critical, Chronic, and Terminal Illness Accelerated Death Benefit Riders. Riders are subject to certain limitations and exclusions. The actual benefit paid to the policy owner will be less than the amount that is accelerated because the amount is discounted to reflect early payment of the policy's death benefit. Administrative fees per request apply. Amounts payable under the Critical and Chronic Illness Riders vary based in part on the nature and severity of the insured's health condition and the insured's remaining life expectancy at the time of the acceleration as determined by the company. Riders should not be the sole basis to purchase any life insurance policy. Benefits paid under accelerated death benefit riders will reduce the life insurance policy's death benefit and policy value. Consideration should be given to whether life insurance needs would still be met if rider benefits are paid out in full. Refer to the policy or riders for complete details.

When you're planning for the future, it's good to know you have protection when you and your family need it most.
