

Product & Service Notice

Date: Sept. 8, 2023
To: Ameritas Financial Professionals
RE: FLXelerate Accelerated Underwriting
Program – Increased Limits

Form Number: PS 4446AD
Product Area: Life

Summary:

The Ameritas FLXelerate Accelerated Underwriting Program allows eligible clients a less invasive, less time-consuming underwriting experience. We use readily available data to quickly determine if a client can receive a policy at the fully underwritten price without the need for a paramed exam or lab work.

Effective Sept. 8, 2023, we're making it easier to get your clients coverage faster, by **increasing the limits for accelerated underwriting from \$1M to \$2M** for issue ages 18-50. (The accelerated underwriting limit will remain at \$1M for ages 51-60.)

Additional Information:

Contracts approved or issued within 30 days of Sept. 8, 2023 may be reconsidered for the increased limits at our discretion by sending a written request to new business.

Review the updated FLXelerate Accelerated Underwriting Guide [LI2357AD](#) for complete details and requirements.

Look for accelerated underwriting materials to be updated with these increased limits and posted on Producer Workbench.

If you have any questions, contact underwriting or sales development.
