## Transition Guidelines

New business applications for *Lincoln WealthAccelerate*® IUL – 10/16/23 will be accepted on October 16, 2023, pending firm and state approval. For states approved at rollout, the transition period begins on October 16, 2023 and ends on **November 15, 2023**.

- **Applications** for the Lincoln WealthAccelerate® IUL must be signed, dated and received in good order in Lincoln’s home office by the end of the transition period to qualify.
- **For cases with the owner listed as “Trust to be Established”**, formal applications received in the Home Office by the end of the transition period and have been signed by the insured will still qualify as awaiting a trust to be set up is part of the normal course of business. The only paperwork that Lincoln will not require at submission is the executed Certification of Trustee Powers with the trustee/owner’s signature. It must be received prior to issue.
- **For formal applications that expire prior to Issue or have been closed out**, a new Part I must be submitted, and the case will be subject to the rates available at that time.
- **For pending business or policies already issued**, Lincoln will accept a written request and a revised illustration to change to *Lincoln WealthAccelerate*® IUL - 10/16/23.
- **For policies already placed**, normal internal replacement guidelines apply. Rewrites will not be allowed.

### **State Availability**

All states will be approved at launch with the exception of NY where the product is not offered.

## Illustration Software Updates

If you have an active internet connection, the *Lincoln DesignIt*™ Illustration System (V62.OE) automatically updated on October 16, 2023 to reflect the indexed account rate changes and new maximum illustrated rates; you will need to download the updated *Lincoln Inforce Platform* (v.39.0). If you need to download software, it is available on the Lincoln producer websites or from Field Office Technicians.
