ACCUMULATION PERIOD. Means the uninterrupted period of consecutive days during which the *elimination period* must be satisfied. This period is shown on the *schedule*.

- (1) is primarily engaged in providing in-patient medical care for diagnosis and treatment of injuries or sicknesses, and typically charges a fee for such care; and

- (3) provides services by registered graduate nurses 24 hours a day.

In no event will this include any institution which is:

This includes, but is not limited to, bipolar disorders, depression or depressive disorders, anxiety disorders, schizophrenia or other psychotic, delirium, or delusional disorders, post-traumatic stress disorder, or disorders relatable to stress or to substance abuse or dependency, including complications or treatment thereof, or complications resulting from the treatment. Mental/Nervous Disorders do not include certain Neurocognitive Disorders such as Alzheimer's, dementia or cognitive impairment resulting from stroke, physical trauma, infection, or any neurodegenerative disease. If the DSM is discontinued or replaced, we will use the diagnostic manual then in use by the APA, or by an organization which succeeds it, subject to approval by the Interstate Insurance Product Regulation Commission.

Insured must satisfy the elimination period within a specific period of time which is stated on the policy schedule page.

Insured must be totally disabled for a period of time before benefits are payable. The elimination period does not require consecutive days of disability, but it must be satisfied within the accumulation period stated in the policy.

OWNER. Means *you*, the insured, unless *our* records show otherwise. The *owner* is shown on the *schedule*. The rights of the *owner* are described in Part VI of this *policy*.

PARTIAL MONTHLY BENEFIT. Means one-half of the *base monthly benefit*.

PARTIAL DISABILITY OR PARTIALLY DISABLED. Means that solely due to *your sickness* or *injury*:

PHYSICIAN. Means a person who is medically qualified and licensed as a doctor of medicine or osteopathy in the jurisdiction in which he or she practices and who is acting within the scope of his or her professional license to treat the *injury* or *sickness* that caused *your disability*. If a *loss* is due to *mental/nervous disorders*, the physician must be a board-certified psychiatrist or a licensed doctoral-level psychologist. A *physician* cannot be *you*, the *owner*, anyone related to *you* or the *owner* by blood or marriage, any person who shares a business interest with *you* or the *owner*, or any person who is a partner in a legally sanctioned domestic partnership or civil union with *you* or the *owner*.

Means the occupation or occupations that *you* were engaged in at the time *disability* began. *Your occupation* does not mean a specific job title, designation, industry, or job with a certain employer. If *you* are not employed at the time of *disability*, *your occupation* means any occupation for which *you* are or become qualified based on *your* education, training or experience.

If *you* are a physician or dentist and have limited *your duties* to the performance of the usual and customary functions of a specific, professionally recognized medical or dental specialty, we will consider that specialty *your occupation*.

PART II: BENEFIT PROVISIONS

BENEFIT FOR TOTAL DISABILITY. If *your total disability* begins while this *policy* is *in force*, we will pay the *base monthly benefit* shown on the *schedule* for each month *you* are *totally disabled* after the *elimination period*. Payments will not be made for more than the *maximum benefit period* shown on the *schedule*.

If *you* can perform one or more, but not all, of the material and substantial *duties* of *your occupation*, *you* will not be considered *totally disabled*, but *you* may qualify for *partial disability* or *residual disability* benefits if included in this *policy*.

BENEFIT FOR PARTIAL DISABILITY. For each month *you are partially disabled*, we will pay you a *partial monthly benefit*, if *partial disability*:

- (1) begins while this *policy is in force*; and
- (2) begins within 180 days of a period of *total disability* for which *you* received a *base monthly benefit* under this *policy* and is caused by the same or related conditions.

Periods of *total disability* referred to in the Successive Periods of Total Disability provision will be construed to include periods of *partial disability* for which a *partial monthly benefit* has been paid.

We will pay you a *partial monthly benefit* as long as you remain *partially disabled* not to exceed the lesser of:

- (1) the partial maximum benefit period shown on the *schedule*, or
- (2) any unused portion of the *maximum benefit period* for *total disability* shown on the *schedule*.

We will not pay a *partial monthly benefit* for any day for which we pay *total disability* or presumptive *total disability* benefits. **We will not pay a *partial monthly benefit* if you can perform all of the material and substantial duties of your occupation for more than 50% of the time as was usual prior to the start of your disability.**

If a residual disability rider is included in this *policy*, benefits will not be paid for *partial disability*. Instead, benefits will be paid as determined in the residual rider, if you meet the definitions and terms of that rider.

PHYSICIAN CARE REQUIREMENT. In order to be eligible for *disability* benefits or for us to waive premium under this *policy*, you must be under the regular care and treatment of a *physician* appropriate for the condition causing *disability*. We will waive this requirement, if we receive written *proof*, satisfactory to us, that continued medical treatment will not improve your condition. However, waiving this requirement does not change or affect our rights under this *policy*.

SUCCESSIVE PERIODS OF TOTAL DISABILITY. After satisfying the *elimination period*, successive periods of *total disability* will be considered as one period if:

- (1) they are caused by the same or related conditions; and
- (2) they are separated by less than 180 days; and
- (3) they each begin while this *policy is in force*.

All other periods of *total disability* will be considered separate and not successive periods of *total disability*.

For successive periods of *total disability*:

- (1) you will not be required to satisfy a new *elimination period*; and
- (2) the *maximum benefit period* will not start over; and
- (3) the accumulated successive periods of *total disability* cannot exceed the *maximum benefit period* shown on the *schedule*.

CONCURRENT DISABILITY. Once a period of *disability* starts, it will be considered one continuous period of *disability* no matter what *injury* or *sickness*, or how many, caused the *disability* or caused the *disability* to continue. The amount and duration of benefits for a concurrent *disability* will not be more than the maximum for any one *disability*.

PRESUMPTIVE TOTAL DISABILITY. We will also consider you *totally disabled* if, while this *policy is in force*, you sustain the total loss of:

- (1) the sight in both eyes; or
- (2) the hearing in both ears; or
- (3) speech; or
- (4) the use of both hands; or
- (5) the use of both feet; or
- (6) the use of one hand and one foot.

Pays 50% of the base monthly benefit for up to 12 months for a period of partial disability that follows a period of compensable total disability.

If the Enhanced Plus, Enhanced or Basic Residual Disability rider is a part of the policy, partial disability benefits will not be paid.

Attempts to return to work for up to 180 days will not require a new elimination period to be satisfied and the maximum benefit period will not start over.

Presumes total disability for these specific losses, even if the insured is able to work in any occupation. No elimination period applies and the loss is not required to be permanent or irrecoverable.

We will pay the *base monthly benefit* shown on the *schedule* for each month *you* are *totally disabled* due to one of the specific losses shown above. Payments will not be made for more than the *maximum benefit period*. In addition:

- (1) benefits will begin to accrue from the date of the specific loss instead of after the *elimination period*; and
- (2) *you* may work at any occupation and still receive benefits; and
- (3) *you* must meet the Physician Care Requirement in Part II of this *policy*; and
- (4) *base monthly benefit* payments will continue as long as the presumptive *total disability* continues but not for more than the *maximum benefit period*.

SURGICAL TRANSPLANT. While this *policy* is *in force*, if a *total disability* results from transplanting a part of *your* body to the body of another person, we will consider *you* *totally disabled* due to *sickness*, provided the transplant occurs after the *issue date*.

COSMETIC SURGERY. While this *policy* is *in force*, if a *total disability* results from cosmetic surgery to correct a disfigurement or to improve *your* appearance, we will consider *you* *totally disabled* due to *sickness*, provided the cosmetic surgery occurs more than six months after the *issue date*. Cosmetic Surgery does not include reconstructive surgery when the surgery is incidental to or follows surgery resulting from trauma, infection, other diseases of the involved part, and reconstructive surgery because of congenital disease or anomaly resulting in a functional defect, which will be treated as any other *sickness*.

REHABILITATION. We will not consider *you* recovered from a *total disability* just because *you* participate in a program of occupational rehabilitation. *You* may request or we may suggest that *you* participate in a formal, supervised rehabilitation program designed to help *you* return to an occupation.

If we mutually agree that such a program is appropriate, we will pay a portion or all of the expenses not otherwise covered by any other plan, program, or policy, and as set forth in a signed, written agreement between *you* and *us*. We will periodically review the program and *your* progress and will continue to pay such expenses, as long as we determine that the mutually agreed upon objectives of the program are being met.

WORKPLACE MODIFICATION BENEFIT. If *you* are receiving monthly *disability* benefits under this *policy* and we mutually agree that a modification to *your* workplace would be appropriate solely to allow *you* to return to work, we may pay a portion or all of the expense of that modification as set forth in a signed, written agreement between *you* and *us*, once we have received written *proof* of payment of such expenses. We will pay only those costs that are not otherwise covered by any other plan, program, or policy.

BENEFIT ADVANCEMENT. While no other benefits are being paid under this *policy*, if *you* suffer an *injury* that requires treatment prescribed by a *physician*, or the repair to natural teeth prescribed by a dentist, we will advance *you* \$500 of *your* *base monthly benefit*.

Payment will be subject to the following:

- (1) the claim must be submitted within 90 days from the date of the *injury*; and
- (2) sufficient *proof of loss* must be provided.

If *you* continue to be *disabled* according to the terms of the *policy*, then upon satisfaction of the *elimination period* and *our* approval of *your* claim, we will reduce the first payment for *disability* benefits due by the \$500 of monthly benefit that was advanced to *you* for that claim.

Any period of *disability* for which no advanced benefits are paid will be unaffected by this provision.

In no event will we advance more than \$500 per *injury* under this *policy*, including any increases to this *policy*.

WAIVER OF PREMIUM. Premium payments must continue until *you* submit *proof of your total disability* and *your* claim has been approved by *us*. We will waive any premium on this *policy* as it comes due, until *your disability* ends, beginning with the date *your* claim is approved but not before 90 days of continuous *total disability*. Once we start waiving premium, we will also refund the pro rata portion of any premium paid that applies to the period of *disability* on or after the date *you* became *totally disabled*. Beginning with the date *your disability* ends, payment of the pro rata portion of the premium due for coverage until the next premium due date, as well as any premiums that come due thereafter, must be paid in order to keep this *policy* *in force*. This *policy* will terminate, if the *policy* expiry date shown on the *schedule* occurs while premiums are being waived.

Disability resulting from being a transplant donor after the policy issue date is treated as a sickness and benefits are payable following the elimination period.

Disability resulting from cosmetic surgery that occurs more than six months after the issue date is treated as sickness and benefits are payable following the elimination period.

To help the insured recover and return to work, we may participate in the cost of an approved program of occupational rehabilitation and will not consider the insured recovered just for participating in the program.

We may participate in the cost of a workplace modification in an effort to allow the insured to return to work.

Insured is eligible for an advanced monthly benefit payment of \$500 for an injury that requires medical treatment or repair to natural teeth. This is a per occurrence benefit.

Premium payments are waived upon approval of claim and after insured has been continuously disabled for at least 90 days. Any premiums paid beginning with the date of disability will be refunded.

GOOD HEALTH BENEFIT. We will reduce the *elimination period* shown on the *schedule* by two days, for every consecutive *policy year* you complete after the *issue date* without receiving any monthly *disability* benefits under this *policy*, not including those received under the Benefit Advancement provision in Part II of this *policy*.

Once you begin receiving monthly *disability* benefits under this *policy*, the good health benefit is reset to zero. It will begin to accumulate again by two days for every consecutive *policy year* you complete without receiving any monthly *disability* benefits under this *policy*, beginning with the *policy anniversary* immediately following the date you are no longer receiving benefits.

In no case will this benefit reduce the *elimination period* to less than 30 days.

SURVIVOR BENEFIT. If you die after satisfying the *elimination period* and while monthly *disability* benefits are being paid under this *policy*, we will pay an additional three months of *base monthly benefit*, as shown on the *schedule*. This benefit is in addition to any other benefit of this *policy*. This benefit is payable to the *owner's* estate.

COBRA PREMIUM BENEFIT. We will reimburse the premium paid by you for medical coverage provided under the federal Consolidated Omnibus Budget Reconciliation Act (COBRA) of 1985 and any subsequent amendments or any state mini-COBRA laws, beginning with the first premium due after you satisfy the *elimination period* of this *policy*, not to exceed the COBRA maximum monthly benefit shown on the *schedule*, if:

- (1) you are receiving monthly *disability* benefits under this *policy*; and
- (2) you became unemployed due to your *disability* and, as a result, you are paying premium to continue medical coverage under that employer's health or medical plan as provided for under COBRA.

We will reimburse you, for each month that you submit *proof* of the premium that you have paid for COBRA medical coverage, as long as you continue to receive monthly *disability* benefits under this *policy*, not to exceed the COBRA maximum benefit period shown on the *schedule*. All *proof* must be submitted within 365 days from the date the expense was incurred.

If you have one or more of our disability income policies providing this benefit, we will not pay more than 100% of the COBRA premium expense incurred monthly under all policies.

PART III: EXCEPTIONS/LIMITATIONS

WAR. Benefits are not payable for a *sickness, injury or disability* caused by or contributed to by war, declared or undeclared, or any act or incident of war, whether civil or among nations, declared or undeclared, while you are serving in active or reserve military service, a military auxiliary unit, or in any civilian, governmental or non-combatant unit working for or serving with military forces, or as a result of active duty in the military service.

CRIMINAL ACTIVITY. Benefits are not payable during any period you are legally incarcerated or detained for more than seven days; or for any *sickness, injury or disability* to which a contributing cause was your commission of, or attempt to commit a felony, participation in a riot or insurrection, or engaging in an illegal occupation.

SELF-INFLICTED INJURY. Benefits are not payable for *sickness, injury or disability* resulting from an intentionally self-inflicted *injury*.

LOSS OF LICENSE. While your *injury or sickness* may result in the suspension, revocation, or surrender of your professional or occupational license or certification, this loss of your professional or occupational license or certification by itself does not constitute a *disability*.

RESIDENCE. While you reside outside of the United States, territories of the United States, or Canada, we will not pay benefits for more than a cumulative twelve months during the lifetime of this *policy*. If benefits have been suspended, upon return to the United States, territories of the United States, or Canada, you may resubmit a notice of claim for consideration to resume benefits under the terms of the *policy*.

The elimination period will be reduced by two days for each consecutive year completed without receiving any monthly disability benefits under the policy. Benefits paid out under the Benefit Advancement provision do not affect the Good Health Benefit. Once monthly disability benefits are received, the Good Health Benefit resets to zero. Elimination period will never reduce to less than 30 days.

A valuable benefit that could pay three months of additional benefits upon the insured's death.

If the insured becomes unemployed as a result of disability, we may reimburse for COBRA medical premiums (either individual or family) paid, not to exceed \$1,000 per month for up to 18 months.

Disability benefits are limited to 12 months for the life of the policy if the insured resides outside of the US, its territories or Canada.

PREGNANCY. Benefits are not payable for pregnancy or childbirth until *you* have been *disabled* for 90 days or the *elimination period*, if longer. This does not apply to complications of pregnancy as diagnosed by a *physician*.

MENTAL/NERVOUS DISORDERS, ALCOHOLISM, AND/OR DRUG ABUSE (MNTA). For each month *you* are *totally disabled*, we will not pay benefits for *disabilities* caused by or contributed to by *mental/nervous disorders*, alcoholism and/or drug abuse for more than the MNTA benefit period shown on the *schedule*, regardless of the *maximum benefit period for total disability* shown on the *schedule*, subject to the applicable law in the state where the *policy* is issued for delivery. However, for each month *you* are *totally disabled*, we will pay benefits, subject to the *maximum benefit period for total disability* shown on the *schedule*, for *loss* caused by *mental/nervous disorders*, alcoholism and/or drug abuse for as long as *you* are thereby continuously confined in a *hospital* under the care of a *physician*.

PRE-EXISTING CONDITIONS. We will not pay benefits for any *disability* that starts within the first 24 months following the *policy issue date* and is caused by or contributed to by a pre-existing condition that was not fully disclosed on this *policy's* application.

Benefits for a *disability* caused by or contributed to by a pre-existing condition will be payable only if the pre-existing condition is fully disclosed in the application and we have taken no express underwriting action to exclude the pre-existing condition from coverage by name or specific description in any attached rider or endorsement.

A pre-existing condition means any physical or mental condition for which:

- (1) during the 24-month period preceding the *issue date* of this *policy*, medical advice, diagnostic testing, or treatment was recommended to *you* or received by *you* from a *physician* or other licensed medical professional, or for which *you* were prescribed drugs or medication by a licensed medical professional; or
- (2) during the 12-month period preceding the *issue date* of this *policy*, symptoms existed that would have caused a prudent person to seek medical advice, diagnosis, care, or treatment.

SPECIFIC EXCLUSIONS. Notwithstanding any *policy* provision to the contrary, benefits are not payable for any *sickness*, *injury*, or *disability* we have excluded from coverage by name or specific description in any attached rider or endorsement, based on information disclosed by *you* in the application for the *policy* or identified by *us* during the underwriting process of such application.

PART IV: PREMIUM AND RENEWAL PROVISIONS

PAYMENT OF PREMIUMS. The first premium is due on the *policy date*. Subsequent premiums are payable on or before the date they are due. Premiums must be paid to *us* at *our* client service office address shown on the front cover of this *policy*. All premiums are payable in United States currency.

Your premium mode is shown on the *schedule*. *You* may request a change in the premium mode, subject to *our* approval. However, *you* may not change the mode of payment while receiving *disability* benefits.

If we accept a premium while this *policy* is *in force*, this *policy* will continue *in force* until the end of the period for which the premium was paid.

We will refund the unused portion of *your* premium in the event of *your* death or at the *owner's* request to terminate this *policy*.

GRACE PERIOD. A 31-day grace period is allowed for payment of premiums not paid on or before due dates. Coverage will continue *in force* during the grace period. However, if premium is not paid by the end of the grace period, coverage will automatically end on the date of the last period for which premium was paid. If *you* become *disabled* during the grace period, we will deduct any due and unpaid premiums from any benefits we pay.

As long as pre-existing conditions have been fully disclosed and they are not specifically excluded, they will be covered under the policy.

We allow extra time to pay a premium that is due while coverage continues.

REINSTATEMENT. Within six months after this *policy lapses*, the *owner* may request reinstatement of this *policy*. We may require an application for reinstatement and evidence of insurability.

If we do not require an application, we will reinstate this *policy* effective the date the past due premium is received. If we do require an application for reinstatement, this *policy* will be reinstated, effective the earlier of the following:

- (1) when we approve *your* application; or
- (2) 45 days after the date of *your* application unless we have notified *you* of *our* denial.

All past due premiums must be received for reinstatement to be effective. Following reinstatement, this *policy* will cover only a *disability* that results from an *injury* that occurs or *sickness* that first manifests on or after the date of reinstatement.

All other rights of this *policy* will remain the same as was prior to the *lapse*, subject to any exclusions, limitations, endorsements, and ratings made to this *policy* as a result of reinstatement.

GUARANTEED RENEWABLE. You have the right to continue this *policy* until *age* 65, or until the *policy* expiry date shown on the *schedule*, if later, by paying the premium as due. Until then, we shall not:

- (1) cancel this *policy* except for nonpayment of premium; nor
- (2) add any restrictions.

PREMIUM RATES SUBJECT TO CHANGE. We reserve the right to change the premium rates. A change will apply to all policies with like benefits and risk class. Such change shall apply on the next *policy* anniversary after the change is made. The new premium will be based on *your age*, sex, and occupation as of the *issue date*.

CONDITIONALLY RENEWABLE FOR LIFE; SUBJECT TO PREMIUM CHANGE. You may renew this *policy* on each *policy* anniversary following the *policy* expiry date shown on the *schedule* if, at the time of renewal:

- (1) this *policy* is *in force* with no premium in default; and
- (2) you are not receiving a benefit, including Waiver of Premium, under this *policy* or any attached rider; and
- (3) this *policy* is not currently suspended under the Suspension During Service in the Armed Forces or the Suspension During Unemployment provisions in Part IV of this *policy*; and
- (4) you submit *proof*, satisfactory to us, that you are actively working at least 30 hours each week for wage or profit; and
- (5) you pay the premium in effect for *your age* at that time.

We must receive *your* request in writing at least 30 days prior to the expiry date of this *policy*.

If this *policy* is renewed under this provision, only the benefit for *total disability* will be renewed. At the time of renewal, all exclusion riders, limitations, exceptions, endorsements, and ratings will be renewed and remain part of this *policy*, unless specified otherwise. All other non-exclusion riders attached to this *policy* and *in force* on the *policy* expiry date shown on the schedule are non-renewable and will terminate according to the terms of those riders.

SUSPENSION DURING SERVICE IN THE ARMED FORCES. If you have entered active duty for more than 90 consecutive days in any armed forces, voluntarily or involuntarily, or had active duty extended voluntarily or involuntarily (other than for the purpose of determining physical fitness and other than for training) you have the option to suspend this *policy*. During such suspension:

- (1) the provisions of this *policy* will not be in effect, no coverage is provided and no options under this *policy* may be exercised; and
- (2) the contestable period in the Time Limit for Certain Defenses provision in Part VI of this *policy* shall be tolled; and
- (3) premium payments shall not be required.

Reinstating coverage is possible within six months after the policy lapses.

We cannot cancel a Guaranteed Renewable policy except for nonpayment of premium and we cannot change the terms of the policy except to the benefit of the client or per the client's request.

Premiums on a Guaranteed Renewable policy can be increased prior to age 65 (or age 67 for a to age 67 benefit period).

Insured may suspend policy upon entering active duty for more than 90 days in the armed forces. During suspension, the policy is not in effect and premiums are not required.

We or one of our agents must receive your request for this suspension in writing. If you are eligible, we will suspend this policy from the later of the date we receive your written request or the date your active service begins (or a later date requested by you), and we will refund the part of any premium paid that applies to the period of suspension. If your active duty ends within five years from the date of suspension, you may request that coverage be resumed on the same basis as before the suspension took effect without evidence of insurability. Within 90 days after your active service ends, we must receive your request in writing along with your deactivation notice and payment of the premium due for coverage until the next premium due date. We will resume coverage under this policy effective the termination date of your active duty, subject to receipt of premium due. However, if you remain on active duty on the fifth anniversary of the date of suspension, we will resume coverage under this policy contingent on receipt of premium due for coverage from that date until the next premium due date.

If premium has not been paid and coverage has not been resumed, this policy will terminate on the earliest of:

- (1) the date your active duty ends if you have not requested to resume coverage within 90 days of that date; or
- (2) the fifth anniversary of the date of suspension, subject to the Reinstatement provision in Part IV of this policy; or
- (3) the policy expiry date shown on the schedule.

This policy will not cover loss from injuries which occurred, or sicknesses first manifested, while this policy was suspended. Otherwise, you and we shall have the same rights under this policy as each had before it was suspended.

Any waiting period in the policy shall be tolled during the period of suspension, and shall resume once the suspension has ended.

SUSPENSION DURING UNEMPLOYMENT. While this policy is in force with no premium in default, a suspension of this policy may be requested if you become unemployed, subject to the following:

- (1) this policy has been in force for at least one year from the issue date; and
- (2) you furnish proof that you have been receiving state or federal unemployment benefits for at least 8 consecutive weeks; and
- (3) you remain unemployed as of the date we receive the request for suspension; and
- (4) this policy has not been suspended for unemployment more than once before; and
- (5) at least 36 months have elapsed since the end of the previous suspension for unemployment.

During such suspension:

- (1) the provisions of this policy will not be in effect, no coverage is provided and no options under this policy may be exercised; and
- (2) the contestable period in the Time Limit for Certain Defenses provision in Part VI of this policy shall be tolled; and
- (3) premium payments shall not be required.

The request for this suspension must be made in writing. If approved by us, we will suspend this policy from the date we receive the written request, or a later date if requested, and we will refund the part of any premium paid that applies to the period of suspension.

The suspension will end the earliest of the following:

- (1) the date we receive a written request to end the suspension, along with evidence satisfactory to us that you are gainfully employed; or
- (2) one year from the date the suspension began; or
- (3) the date of your death.

Insured may suspend policy upon becoming unemployed if the policy has been in force at least one year and the insured has been receiving state or federal unemployment benefits for at least eight weeks. During suspension, the policy is not in effect and premiums are not required.

When the suspension ends, in order to resume coverage under this *policy*, we will require payment of the premium due for coverage until the next premium due date. This *policy* will terminate 30 days after suspension ends, if the required premium is not received by us, and the Reinstatement provision in Part IV of this *policy* will apply. This *policy* will terminate if the *policy* expiry date shown on the *schedule* occurs while this *policy* is suspended under this provision.

This *policy* will not cover *loss* from *injuries* which occurred, or *sicknesses* first manifested, while this *policy* was suspended. Otherwise, you and we shall have the same rights under this *policy* as each had before it was suspended.

PART V: HOW TO FILE A CLAIM

NOTICE OF CLAIM. A claim must be sent to us in writing within 30 days after *loss* or as soon as reasonably possible thereafter. The notice of claim should be submitted to us at the client service office address shown on the front cover of this *policy*, or our authorized agent, and must include your name and *policy* number.

CLAIM FORMS. When we receive your notice of claim, we will send you forms for filing your *proof of loss*. If we don't send these forms to you within 15 days after receipt of your notice of claim, you may meet the *proof of loss* by giving us a written statement describing the nature and extent of your *loss*. You must send it to us within the time limit stated below.

PROOF OF LOSS. It is your responsibility, at your expense, to submit to us written *proof of loss* within 90 days after the date of *loss*. If you are not able to send it within that time, it must be sent as soon as reasonably possible thereafter; however, the additional time allowed cannot exceed one year unless you are legally incapacitated. Failure to provide *proof of loss* within the required time frame may invalidate or reduce your claim. We may request additional *proof of loss* as often as we deem necessary in order to evaluate and substantiate your claim.

TIME OF LOSS. A *loss* must occur while this *policy* is in force.

TIME OF PAYMENT OF CLAIMS. We will pay *disability* benefits due, in arrears, on a monthly basis, beginning the later of:

- (1) one month after the end of the *elimination period*; or
- (2) the date all *proof of loss* has been received and your claim has been approved by us.

Any monthly benefits due but not yet paid when your *disability* ends shall be paid immediately upon receipt of due written *proof of loss*. Benefits for any other *loss* will be paid as soon as we receive proper written *proof*.

If a claim is paid more than thirty (30) days after we receive satisfactory *proof of loss*, the delayed payment shall be subject to simple interest at the rate of 10% per year beginning with the 31st day after receipt of satisfactory *proof of loss* and ending on the day the claim is paid.

PAYMENT OF CLAIMS. You must satisfy all terms and conditions of this *policy* in order for benefits to become payable. All benefits are payable to the *owner*, unless assigned to another person.

If the person who is to receive payments is deceased or incompetent, we will make the payments to the legal representative for the property of that person. If no legal representative exists, we may make payment, not to exceed \$5,000, to any relative of that person we consider to be justly entitled to payment. If we do this, we will be discharged to the extent of such payment made in good faith. In order to continue benefits beyond this amount, we will require verification of a legal representative such as a durable power of attorney, conservator, or executor.

Payment of monthly benefits for a period of less than one month will be at the daily rate of 1/30 of the applicable monthly benefit.

Insured has a reasonable length of time to file a claim.

Disability benefits are paid to the owner of the policy, unless otherwise assigned.

EXAMINATION. We have the right as necessary, at *our* expense, to obtain other medical opinions from or have *you* examined by *physicians* of *our* choice. We also have the right, at *our* expense, to obtain from a specialist of *our* choice; vocational evaluations, functional capacity evaluations, and any other evaluations and examinations that *we* determine are necessary to assess *your* claim. We may suspend or deny benefits under this *policy*, if *you* fail to attend an examination or fail to cooperate with the examiner.

We have the right, at *our* expense and by a financial examiner of *our* choice, to require an examination of all relevant financial and operational records, as often as is reasonably required while *your* claim is pending or is being paid.

OVERPAYMENT OF CLAIMS. If, for any reason, any overpayment of benefits occurs under this *policy*, we have the right to immediate and full reimbursement from the *owner*. We will notify the *owner* promptly upon discovery of any overpayment. After such notice, any overpayment amounts not fully reimbursed by the *owner* within 60 days may then be recovered by *us* by offsetting against any future amounts otherwise payable under this *policy*, or by other means, until the overpayment amount is repaid in full.

LEGAL ACTIONS. No legal action may be brought to recover on this *policy* within 60 days after written *proof of loss* has been given as required by this *policy*. No such action may be brought after three years from the time written *proof of loss* is required to be given. All actions must be brought in either a state or federal court within the United States.

PART VI: GENERAL PROVISIONS

TIME LIMIT FOR CERTAIN DEFENSES. After two years from the *issue date* of this *policy* or the effective date of any *policy* change, reinstatement or increase, only fraudulent misstatements in the application may be used to void this *policy*, *policy* change, reinstatement, or increase, or to deny a claim for *loss* incurred or *disability* that starts after the two-year period. However, for a *loss* incurred or *disability* that starts during this two-year period, we may void this *policy*, *policy* change, reinstatement, or increase, if material misrepresentations were made in any relevant application.

Applications include the application for this *policy* or any *policy* change, reinstatement or increase, and any amendments or supplemental applications.

No claim for *loss* incurred or *disability* that starts after two years from the *issue date* will be reduced or denied because a disease or physical condition not excluded by name or specific description effective on the date of *loss* had existed prior to the *issue date*.

ASSIGNMENT. All benefits are payable to the *owner*, unless assigned to another person(s) or entity. While this *policy* is *in force* and no benefits are payable, the *owner* may assign benefits by written request on a form provided by *us*. We are not bound by any assignment for any payments made or actions taken by *us* prior to receiving notice of the assignment. Once approved, the assignment will take effect on the date the assignment form was signed by the *owner*. We shall not be liable for the validity or tax consequences of any assignment.

POLICY OWNERSHIP. *You* are the *owner* of this *policy* unless *our* records show otherwise. The *owner* has the right to:

- (1) receive any benefits due under this *policy*; and
- (2) assign this *policy*; and
- (3) exercise other rights that this *policy* provides, or that *we* permit.

The *owner* may name a new *owner* by notice to *us*. A new *owner* will take effect on the date *we* receive the signed notice and it is approved by *us*.

MISSTATEMENT OF AGE AND SEX. If *your age* or sex has been misstated in the application, *your* benefits will be adjusted to reflect the amount *your* premium would have purchased at *your* correct *age* and sex. If, however, no coverage would have been issued at the correct *age*, *you* will not be covered and *we* will refund all premiums paid.

Material misrepresentation in any policy application may affect policy benefits within two years from the application date. There is no time limit for fraudulent misrepresentation.

ENTIRE CONTRACT. No change in this *policy* will be effective until approved by one of *our* authorized officers. This approval must be noted on or attached to this *policy*. No agent may change this *policy* or waive any of its provisions.

NONPARTICIPATING POLICY. This *policy* is nonparticipating. No dividends will be paid under this *policy*.

HEADINGS. The paragraph headings in this *policy* are included for convenience only and do not modify or control the scope of any of the provisions of this *policy*.

CONFORMITY WITH INTERSTATE INSURANCE PRODUCT REGULATION COMMISSION STANDARDS. This *policy* has been approved under the authority of the Interstate Insurance Product Regulation Commission and is issued under the Commission standards. Any provision of this *policy* that is in conflict with the Interstate Insurance Product Regulation Commission standards on the *issue date* of this *policy* is hereby amended to conform to the Interstate Insurance Product Regulation Commission standards that were in effect on the *issue date* of this *policy*.

DUTY TO COOPERATE. *You* have the duty to cooperate with *us* concerning all matters relating to this *policy* and any claims thereunder. This cooperation includes, but is not limited to:

- (1) submitting all required forms and other documentation according to this *policy's* provisions; and
- (2) securing appropriate medical treatment for the condition(s) upon which *your* claim for benefits under this *policy* is based.

TERMINATION. This *policy* terminates on the earliest of the following:

- (1) the *policy* expiry date shown on the *schedule* if, at that time, premiums are being waived in accordance with the Waiver of Premium provision in Part II of this *policy*; however, if *you* are *disabled* and receiving monthly benefits at that time, *we* will pay benefits until the end of the *maximum benefit period* as long as *disability* continues; or
- (2) the *policy* expiry date shown on the *schedule* if, at that time, this *policy* is suspended in accordance with either the Suspension During Service in the Armed Forces or Suspension During Unemployment provisions in Part IV of this *policy*; or
- (3) when the premium for this *policy* remains unpaid for more than:
 - (a) 90 days after the end of a suspension under the Suspension During Service in the Armed Forces provision in Part IV of this *policy*; or
 - (b) 31 days after the end of a suspension under the Suspension During Unemployment provision in Part IV of this *policy*; or
- (4) the *policy* expiry date shown on the *schedule*, unless *you* renew this *policy* as provided under the Conditionally Renewable for Life provision in Part IV of this *policy*; or
- (5) the end of the period for which premium has been paid, if premium is not paid by the end of the grace period; or
- (6) the date *we* receive the *owner's* written request to terminate this *policy*; or
- (7) the date of *your* death.

Ameritas Life Insurance Corp.

ENHANCED PLUS RESIDUAL DISABILITY RIDER

This rider is made a part of the underlying *policy* to which it is attached. This rider is subject to all definitions, provisions, exceptions, limitations, and other terms of the underlying *policy* unless specifically changed by this rider. Any references in this rider to "the *policy*" refer to the underlying *policy* to which this rider is attached.

This rider, as defined below, is designed to supplement *your* income when *you* are *residually disabled*.

DEFINITIONS

RESIDUAL DISABILITY or RESIDUALLY DISABLED. Means that solely due to *your sickness or injury*:

- (1) *your loss of monthly earnings* is at least 15% of *your prior monthly earnings*; and
- (2) *your loss of monthly earnings* is the result, directly and apart from any other cause, of an *injury or sickness*; and
- (3) *you* are able to perform one or more, but not all, of the material and substantial *duties of your occupation*; or *you* are unable to work in *your occupation* for 80% or more of the time as was usual for *you* prior to the start of *your disability*.

During the *elimination period*, we will waive the *loss of monthly earnings* requirement above.

Your occupation is defined in the **DEFINITIONS** (Part I) section of the *policy*.

In order to be eligible for residual benefits, *you* must meet the Physician Care Requirement in the **BENEFIT PROVISIONS** (Part II) section of the *policy*.

RESIDUAL MONTHLY BENEFIT. Means the amount paid under this rider for each month *you* are *residually disabled*. In no event will this amount exceed the *base monthly benefit* shown on the *schedule*.

ELIMINATION PERIOD. The definition of *elimination period* in the **DEFINITIONS** (Part I) section of the *policy* is hereby amended. Days of both *total disability* and *residual disability* will satisfy the *elimination period*.

RESIDUAL MAXIMUM BENEFIT PERIOD. The *residual maximum benefit period* is equal to any unused portion of the *maximum benefit period* for *total disability* shown on the *schedule*. Payment of monthly benefits, under all provisions of this rider combined, will not be made for more than the *residual maximum benefit period*.

SUCCESSIVE PERIODS OF DISABILITY. Periods of *total disability* referred to in the Successive Periods of Total Disability provision will be construed to include periods of *residual disability*. This is shown in the **BENEFIT PROVISIONS** (Part II) section of the *policy*.

MONTHLY EARNINGS. Means:

- (1) all wages, fees, salaries, bonuses, commissions (which includes pension and profit-sharing contributions made by *you*) before any pre-tax deductions; and
- (2) other payments for service *you* do; less
- (3) unreimbursable *usual and customary business expenses* for the same period.

If *you* own any portion of a business for which *you* work, *monthly earnings* also include *your* share, based on *your* percentage of ownership or *your* right via contractual agreement, of:

- (1) profits or losses generated by the business; and
- (2) contributions made on *your* behalf to a retirement plan and/or profit sharing by the business.

Available to occupation classes 6A - 3A and 6M - 3M, 4P and 4D.

Loss of income required is only 15%.

During the elimination period, no loss of earnings is required - insured must have a loss of time or duties only.

Successive periods of disability include days of both total and residual disability.

Earnings include more than just salary.

Usual and customary business expenses are only those expenses which:

- (1) you can deduct for federal income tax purposes (other than expenses shown on your federal income tax return as IRC S Section 179 expenses); and
- (2) are other than salaries, drawing accounts, profits, benefits, and other forms of compensation payable to you or to any member of your immediate family who was not a full-time paid employee of the business during the 60-day period immediately preceding the onset of a disability; and
- (3) are incurred on a regular basis and which are essential to the operation of the business, except income taxes.

When usual and customary business expenses are used to determine *current monthly earnings*, these expenses may not exceed your average monthly business expenses for the same period used to determine your *prior monthly earnings*.

Monthly earnings do not include royalties, rent, annuities, interest, dividends, formal sick pay plans, income received from deferred compensation or retirement plans, benefits received for disability under a formal wage or salary continuation plan, disability income policy benefits, capital gains, or any other form of unearned income.

Monthly earnings may be considered earned:

- (1) in the period actually received (this is the cash accounting method); or
- (2) in the period actually earned (this is the accrual accounting method).

You may elect to have *monthly earnings*, *prior monthly earnings* and the *current monthly earnings* calculated using either the cash or accrual accounting method. If you choose the cash accounting method, then, with the exception of deferred compensation, income earned but not received before the onset of a disability will be excluded from the calculation of *monthly earnings*.

Regardless of the accounting method used, any bonuses or lump sum payments you receive will be assigned on a proportional basis to each month during which they were earned and retroactive adjustments will be made to benefits previously paid. As a result, if it is determined that excess benefits were previously paid under this rider, future benefits will be adjusted appropriately.

PRIOR MONTHLY EARNINGS. Means the greater of the average *monthly earnings* received by you during:

- (1) any two of the past three full tax years just prior to the onset date of *disability*; or
- (2) the 12 calendar months just prior to the onset date of *disability*.

CURRENT MONTHLY EARNINGS. Means *monthly earnings* during each month of *residual disability* for which a claim for benefits is made under this rider.

LOSS OF MONTHLY EARNINGS. Means your *prior monthly earnings* less your *current monthly earnings*.

BENEFIT PROVISIONS

RESIDUAL BENEFITS. We will pay you a *residual monthly benefit* for each month you are *residually disabled* beginning on the later of:

- (1) the day after the end of the *elimination period*; or
- (2) the day following a period of *total disability* for which benefits have been paid.

During the first three months of a compensable *residual disability*, the *residual monthly benefit* will equal your *loss of monthly earnings*, not to exceed the *base monthly benefit*. Thereafter, during the same *residual disability* claim, the *residual monthly benefit* will be calculated by the following formula:

$$\text{residual monthly benefit} = \frac{\text{loss of monthly earnings}}{\text{prior monthly earnings}} \times (\text{times}) \text{ X } \text{base monthly benefit}$$

Insured may choose which accounting method is used.

Cash method excludes income earned for services performed but not received before disability began.

Prior monthly earnings are the average earnings during two of the past three full tax years or the past 12 months prior to disability, whichever is greater.

During the first three months of residual disability benefits, we will pay a benefit equal to the loss of monthly earnings, not to exceed the base monthly benefit.

For the first six months of *residual monthly benefit* payments, we will not pay less than 50% of your *base monthly benefit*.

We will not pay residual benefits for any day for which we pay *total disability* or presumptive total disability benefits.

If your *loss of monthly earnings* is more than 75% of your *prior monthly earnings*, it will be deemed a 100% loss and we will pay you as if you are *totally disabled*.

If *prior monthly earnings* are determined to be less than or equal to zero, then no residual benefits will be paid.

PRIOR MONTHLY EARNINGS ADJUSTMENT. We will make an adjustment to your *prior monthly earnings* in order to reflect the changes in cost of living. For those controlling a business entity, we will make the same adjustment to revenue and expenses. We will make this adjustment on the first and each successive anniversary of the onset of your *disability*.

To make this adjustment, we will use the Consumer Price Index for All Urban Consumers (CPI-U) published by the Bureau of Labor Statistics of the United States Department of Labor. If the CPI-U is replaced or changed, we will use the index that has been approved by the Interstate Insurance Product Regulation Commission. We will notify the *owner* before using any such replacement. CPI-U will then mean the chosen index.

For each *disability* claim, we will determine the CPI-U value for the third month prior to the start of your *disability*. This is called the initial index.

On each anniversary of the onset of the *disability*, we will determine the CPI-U value for the third month prior to that date. This is called the current index.

A ratio is then calculated by dividing the current index by the initial index. This ratio will remain constant for 12 months and will be recalculated on each succeeding anniversary. This ratio will never be less than 1.00.

The *prior monthly earnings* is then multiplied by this ratio. The result is the adjusted *prior monthly earnings*.

The adjusted *loss of monthly earnings* equals adjusted *prior monthly earnings* less *current monthly earnings*.

Then:

$$\text{adjusted residual monthly benefit} = \frac{\text{adjusted loss of monthly earnings}}{\text{adjusted prior monthly earnings}} \text{ (times) } \frac{\text{base monthly benefit}}{X}$$

If your adjusted *loss of monthly earnings* is more than 75% of your adjusted *prior monthly earnings*, it will be deemed a 100% loss and we will pay you as if you are *totally disabled*.

No *prior monthly earnings* adjustment is made during the first year of *disability*.

TERMINATION OF RESIDUAL BENEFITS. We will continue to pay the *residual monthly benefit*, until the earlier of:

- (1) the date the *residual maximum benefit period* ends; or
- (2) the date you are no longer *residually disabled*.

RECOVERY BENEFIT. In the month immediately following a period for which monthly *disability* benefits have been paid under the *policy*, a *residual monthly benefit* will be paid provided:

- (1) you are performing the material and substantial *duties of your occupation*, working at least as many hours as was usual for you prior to the start of your *disability*; and
- (2) your *loss of monthly earnings* is at least 15% of *prior monthly earnings*; and
- (3) a demonstrable relationship exists between the *loss of monthly earnings* and the *disability*. This relationship will be reevaluated periodically.

A 50% minimum monthly benefit is payable during the first six months of residual disability payments.

Full monthly benefits are payable when the loss of earnings is more than 75%.

Prior monthly earnings are indexed and based on the actual changes in the CPI-U.

If the insured returns to work following a period of compensable disability and maintains at least a 15% loss of earnings due to disability, residual benefits will continue to be paid.

Otherwise, no *residual monthly benefit* will be payable under the Recovery Benefit.

If *you* are not employed prior to *disability*, no *residual monthly benefit* will be payable under the Recovery Benefit.

A demonstrable relationship exists if *loss of monthly earnings* is solely due to *your residual disability*. A demonstrable relationship does not exist if the *loss of monthly earnings* is contributed to by intervening causes that are not related to *your residual disability*.

TERMINATION OF RECOVERY BENEFIT. The recovery benefit will terminate upon the earliest of the following events:

- (1) when a demonstrable relationship between the *loss of monthly earnings* and the *disability* no longer exists; or
- (2) two consecutive months in which *your loss of monthly earnings* is less than 15%; or
- (3) three non-consecutive months in which *your loss of monthly earnings* is less than 15%; or
- (4) *you* are working fewer hours than *you* worked before the start of *your disability*; or
- (5) *you* become *disabled* again; or
- (6) the date the *residual maximum benefit period* ends.

WAIVER OF PREMIUM. The Waiver of Premium provision in the **BENEFIT PROVISIONS** (Part II) section of the *policy* is amended as follows. References to *total disability* will be construed to include periods of *residual disability*.

Nothing in this rider will increase *your base monthly benefit*.

GENERAL PROVISIONS

PROOF OF EARNINGS. Before *we* can determine and approve any benefits, *we* require *proof* necessary to accurately calculate *your current monthly earnings* and *prior monthly earnings*. *We*, or an independent auditor or consultant retained by *us*, may examine *your* financial records as often as *we* deem necessary.

RIDER SPECIFICATIONS. This rider is based on the application for this rider and payment of its premium.

This rider takes effect on the *issue date* of the *policy* unless a different *issue date* for this rider is shown on a revised *schedule*. As applied to this rider, the Time Limit for Certain Defenses and Pre-Existing Conditions provisions of the *policy* will be measured from the later of the *issue date* of the *policy* or of this rider.

TERMINATION. This rider terminates on the earliest of the following:

- (1) the date the *policy* terminates; or
- (2) the *policy* expiry date shown on the *schedule*, even if *you* renew the *policy* as provided under the Conditionally Renewable for Life provision in the **PREMIUM AND RENEWAL PROVISIONS** (Part IV) section of the *policy*; or
- (3) the date *we* receive the *owner's* written request to terminate this rider.

ENHANCED RESIDUAL DISABILITY RIDER

This rider is made a part of the underlying *policy* to which it is attached. This rider is subject to all definitions, provisions, exceptions, limitations, and other terms of the underlying *policy* unless specifically changed by this rider. Any references in this rider to “the *policy*” refer to the underlying *policy* to which this rider is attached.

This rider, as defined below, is designed to supplement *your* income when *you* are *residually disabled*.

DEFINITIONS

RESIDUAL DISABILITY or RESIDUALLY DISABLED. Means that solely due to *your sickness or injury*:

- (1) *your loss of monthly earnings* is at least 20% of *your prior monthly earnings*; and
- (2) *your loss of monthly earnings* is the result, directly and apart from any other cause, of an *injury or sickness*; and
- (3) *you* are able to perform one or more, but not all, of the material and substantial *duties of your occupation*; or *you* are unable to work in *your occupation* for 80% or more of the time as was usual for *you* prior to the start of *your disability*.

Your occupation is defined in the **DEFINITIONS** (Part I) section of the *policy*.

In order to be eligible for residual benefits, *you* must meet the Physician Care Requirement in the **BENEFIT PROVISIONS** (Part II) section of the *policy*.

RESIDUAL MONTHLY BENEFIT. Means the amount paid under this rider for each month *you* are *residually disabled*. In no event will this amount exceed the *base monthly benefit* shown on the *schedule*.

ELIMINATION PERIOD. The definition of *elimination period* in the **DEFINITIONS** (Part I) section of the *policy* is hereby amended. Days of both *total disability* and *residual disability* will satisfy the *elimination period*.

RESIDUAL MAXIMUM BENEFIT PERIOD. The *residual maximum benefit period* is equal to any unused portion of the *maximum benefit period for total disability* shown on the *schedule*. Payment of monthly benefits, under all provisions of this rider combined, will not be made for more than the *residual maximum benefit period*.

SUCCESSIVE PERIODS OF DISABILITY. Periods of *total disability* referred to in the Successive Periods of Total Disability provision will be construed to include periods of *residual disability*. This is shown in the **BENEFIT PROVISIONS** (Part II) section of the *policy*.

MONTHLY EARNINGS. Means:

- (1) all wages, fees, salaries, bonuses, commissions (which includes pension and profit-sharing contributions made by *you*) before any pre-tax deductions; and
- (2) other payments for service *you* do; less
- (3) unreimbursable *usual and customary business expenses* for the same period.

If *you* own any portion of a business for which *you* work, *monthly earnings* also include *your* share, based on *your* percentage of ownership or *your* right via contractual agreement, of:

- (1) profits or losses generated by the business; and
- (2) contributions made on *your* behalf to a retirement plan and/or profit sharing by the business.

Available to occupation classes 6A - 3A and 6M - 3M, 4P and 4D.

Loss of income required is 20%.

Successive periods of disability include days of both total and residual disability.

Earnings include more than just salary.

Usual and customary business expenses are only those expenses which:

- (1) you can deduct for federal income tax purposes (other than expenses shown on your federal income tax return as IRC S Section 179 expenses); and
- (2) are other than salaries, drawing accounts, profits, benefits, and other forms of compensation payable to you or to any member of your immediate family who was not a full-time paid employee of the business during the 60-day period immediately preceding the onset of a disability; and
- (3) are incurred on a regular basis and which are essential to the operation of the business, except income taxes.

When usual and customary business expenses are used to determine *current monthly earnings*, these expenses may not exceed your average monthly business expenses for the same period used to determine your *prior monthly earnings*.

Monthly earnings do not include royalties, rent, annuities, interest, dividends, formal sick pay plans, income received from deferred compensation or retirement plans, benefits received for disability under a formal wage or salary continuation plan, disability income policy benefits, capital gains, or any other form of unearned income.

Monthly earnings may be considered earned:

- (1) in the period actually received (this is the cash accounting method); or
- (2) in the period actually earned (this is the accrual accounting method).

You may elect to have *monthly earnings*, *prior monthly earnings* and the *current monthly earnings* calculated using either the cash or accrual accounting method. If you choose the cash accounting method, then, with the exception of deferred compensation, income earned but not received before the onset of a disability will be excluded from the calculation of *monthly earnings*.

Regardless of the accounting method used, any bonuses or lump sum payments you receive will be assigned on a proportional basis to each month during which they were earned and retroactive adjustments will be made to benefits previously paid. As a result, if it is determined that excess benefits were previously paid under this rider, future benefits will be adjusted appropriately.

PRIOR MONTHLY EARNINGS. Means the greater of the average *monthly earnings* received by you during:

- (1) any two of the past three full tax years just prior to the onset date of *disability*; or
- (2) the 12 calendar months just prior to the onset date of *disability*.

CURRENT MONTHLY EARNINGS. Means *monthly earnings* during each month of *residual disability* for which a claim for benefits is made under this rider.

LOSS OF MONTHLY EARNINGS. Means your *prior monthly earnings* less your *current monthly earnings*.

BENEFIT PROVISIONS

RESIDUAL BENEFITS. We will pay you a *residual monthly benefit* for each month you are *residually disabled* beginning on the later of:

- (1) the day after the end of the *elimination period*; or
- (2) the day following a period of *total disability* for which benefits have been paid.

$$\text{residual monthly benefit} = \frac{\text{loss of monthly earnings}}{\text{prior monthly earnings}} \times (\text{times}) \text{ base monthly benefit}$$

Insured may choose which accounting method is used.

Cash method excludes income earned for services performed but not received before disability began.

Prior monthly earnings are the average earnings during two of the past three full tax years or the past 12 months prior to disability, whichever is greater.

We will not pay residual benefits for any day for which we pay *total disability* or presumptive total disability benefits.

If your *loss of monthly earnings* is more than 80% of your *prior monthly earnings*, it will be deemed a 100% loss and we will pay you as if you are *totally disabled*.

If *prior monthly earnings* are determined to be less than or equal to zero, then no residual benefits will be paid.

PRIOR MONTHLY EARNINGS ADJUSTMENT. We will make an adjustment to your *prior monthly earnings* in order to reflect the changes in cost of living. For those controlling a business entity, we will make the same adjustment to revenue and expenses. We will make this adjustment on the first and each successive anniversary of the onset of your *disability*.

To make this adjustment, we will use the Consumer Price Index for All Urban Consumers (CPI-U) published by the Bureau of Labor Statistics of the United States Department of Labor. If the CPI-U is replaced or changed, we will use the index that has been approved by the Interstate Insurance Product Regulation Commission. We will notify the *owner* before using any such replacement. CPI-U will then mean the chosen index.

For each *disability* claim, we will determine the CPI-U value for the third month prior to the start of your *disability*. This is called the initial index.

On each anniversary of the onset of the *disability*, we will determine the CPI-U value for the third month prior to that date. This is called the current index.

A ratio is then calculated by dividing the current index by the initial index. This ratio will remain constant for 12 months and will be recalculated on each succeeding anniversary. This ratio will never be less than 1.00.

The *prior monthly earnings* is then multiplied by this ratio. The result is the adjusted *prior monthly earnings*.

The adjusted *loss of monthly earnings* equals adjusted *prior monthly earnings* less *current monthly earnings*.

Then:

$$\text{adjusted residual monthly benefit} = \frac{\text{adjusted loss of monthly earnings}}{\text{adjusted prior monthly earnings}} \text{ (times) } \times \text{base monthly benefit}$$

If your adjusted *loss of monthly earnings* is more than 80% of your adjusted *prior monthly earnings*, it will be deemed a 100% loss and we will pay you as if you are *totally disabled*.

No *prior monthly earnings* adjustment is made during the first year of *disability*.

TERMINATION OF RESIDUAL BENEFITS. We will continue to pay the *residual monthly benefit*, until the earlier of:

- (1) the date the *residual maximum benefit period* ends; or
- (2) the date you are no longer *residually disabled*.

RECOVERY BENEFIT. In the month immediately following a period for which monthly *disability* benefits have been paid under the *policy*, a *residual monthly benefit* will be paid provided:

- (1) you are performing the material and substantial *duties of your occupation*, working at least as many hours as was usual for you prior to the start of your *disability*; and
- (2) your *loss of monthly earnings* is at least 20% of *prior monthly earnings*; and
- (3) a demonstrable relationship exists between the *loss of monthly earnings* and the *disability*. This relationship will be reevaluated periodically.

Full monthly benefits are payable when the loss of earnings is more than 80%.

Prior monthly earnings are indexed and based on the actual changes in the CPI-U.

If the insured returns to work following a period of compensable disability and maintains at least a 20% loss of earnings due to disability, residual benefits will continue to be paid.

Otherwise, no *residual monthly benefit* will be payable under the Recovery Benefit.

If *you* are not employed prior to *disability*, no *residual monthly benefit* will be payable under the Recovery Benefit.

A demonstrable relationship exists if *loss of monthly earnings* is solely due to *your residual disability*. A demonstrable relationship does not exist if the *loss of monthly earnings* is contributed to by intervening causes that are not related to *your residual disability*.

TERMINATION OF RECOVERY BENEFIT. The recovery benefit will terminate upon the earliest of the following events:

- (1) when a demonstrable relationship between the *loss of monthly earnings* and the *disability* no longer exists; or
- (2) the end of three months from the date benefits begin to accrue under the Recovery Benefit, regardless of how many months *you* have qualified for this benefit; or
- (3) *you* become *disabled* again; or
- (4) the date the *residual maximum benefit period* ends.

WAIVER OF PREMIUM. The Waiver of Premium provision in the **BENEFIT PROVISIONS** (Part II) section of the *policy* is amended as follows. References to *total disability* will be construed to include periods of *residual disability*.

Nothing in this rider will increase *your base monthly benefit*.

GENERAL PROVISIONS

PROOF OF EARNINGS. Before *we* can determine and approve any benefits, *we* require *proof* necessary to accurately calculate *your current monthly earnings* and *prior monthly earnings*. *We*, or an independent auditor or consultant retained by *us*, may examine *your* financial records as often as *we* deem necessary.

RIDER SPECIFICATIONS. This rider is based on the application for this rider and payment of its premium.

This rider takes effect on the *issue date* of the *policy* unless a different *issue date* for this rider is shown on a revised *schedule*. As applied to this rider, the Time Limit for Certain Defenses and Pre-Existing Conditions provisions of the *policy* will be measured from the later of the *issue date* of the *policy* or of this rider.

TERMINATION. This rider terminates on the earliest of the following:

- (1) the date the *policy* terminates; or
- (2) the *policy* expiry date shown on the *schedule*, even if *you* renew the *policy* as provided under the Conditionally Renewable for Life provision in the **PREMIUM AND RENEWAL PROVISIONS** (Part IV) section of the *policy*; or
- (3) the date *we* receive the *owner's* written request to terminate this rider.

LOSS OF MONTHLY EARNINGS. Means *your prior monthly earnings* less *your current monthly earnings*.

BENEFIT PROVISIONS

RESIDUAL BENEFITS. We will pay *you* a *residual monthly benefit* for each month *you* are *residually disabled* beginning on the later of:

- (1) the day after the end of the *elimination period*; or
- (2) the day following a period of *total disability* for which benefits have been paid.

The *residual monthly benefit* will be the lesser of:

- (1) 50% of *your base monthly benefit*; or
- (2) the amount determined by the following formula.

$$\frac{\text{loss of monthly earnings}}{\text{prior monthly earnings}} \quad (\text{times}) \quad \text{base monthly benefit}$$

Insured may choose which accounting method is used.

Cash method excludes income earned for services performed but not received before disability began.

Prior monthly earnings are the average earnings during two of the past three full tax years or the past 12 months prior to disability, whichever is greater.

A 50% maximum monthly benefit is payable during a residual disability.

We will not pay residual benefits for any day for which we pay *total disability* or presumptive total disability benefits.

COST OF LIVING ADJUSTMENT RIDER - 6% MAXIMUM

This rider is made a part of the underlying *policy* to which it is attached. This rider is subject to all definitions, provisions, exceptions, limitations, and other terms of the underlying *policy* unless specifically changed by this rider. Any references in this rider to "the *policy*" refer to the underlying *policy* to which this rider is attached.

This rider provides for an annual cost of living adjustment in certain monthly income benefits during *disability*.

DEFINITIONS

CPI-U. *CPI-U* is the Consumer Price Index for All Urban Consumers. It is published by the United States Department of Labor. If the *CPI-U* is replaced or changed, we will use the index that has been approved by the Interstate Insurance Product Regulation Commission. We will notify the *owner* before using any such replacement. *CPI-U* will then mean the chosen index.

INITIAL INDEX. For each *disability* claim, we will determine the *CPI-U* value for the third month prior to the onset of *your disability*. This is called the *initial index*. It will remain fixed for the duration of each *disability* claim.

CURRENT INDEX. On each anniversary of the onset of *your disability*, we will determine the *CPI-U* value for the third month prior to that date. This is called the *current index*.

INDEX RATIO. The lesser of:

- (1) the *current index* divided by the *initial index*; or
- (2) 1.06, compounded annually when measured from the onset date of *your disability* to the most recent anniversary of that onset.

This ratio will never be less than 1.02, compounded annually.

MONTHLY INCOME BENEFIT. If we are paying you a *total disability* benefit, this is equal to the *base monthly benefit* shown on the *schedule*. If we are paying you a *residual disability* benefit, the *monthly income benefit* is equal to the *residual monthly benefit* as determined in the residual rider attached to the *policy*. If the *policy* includes a *partial disability* benefit and we are paying you under that provision, the *monthly income benefit* is equal to the *partial monthly benefit* as determined in that provision.

BENEFIT PROVISIONS

ADJUSTED MONTHLY INCOME BENEFIT. As long as you are receiving a *monthly income benefit* under the *policy*, on each anniversary of the onset date of *disability*, we will adjust the *monthly income benefit* by the *index ratio* as follows:

Adjusted Monthly Income Benefit = *index ratio* multiplied by the *monthly income benefit*

RIGHT TO PURCHASE ADDITIONAL COVERAGE UPON RECOVERY. You have the right to purchase additional *base monthly benefit* if:

- (1) for a period of *disability*, you have received benefits that were increased under the terms of this rider; and
- (2) you are not receiving benefits, including waiver of premium, under the *policy* or any of its riders; and
- (3) you apply for this additional coverage within 90 days from the date *your disability* ends but before age 60; and
- (4) your application includes satisfactory evidence that you have fully recovered and are working in your *occupation* on a full-time basis at least 30 hours each week; and
- (5) a plan similar to the *policy* to which this rider is attached is available at *your attained age*.

Available to occupation classes 6A - 2A and 6M - 2M, 4P and 4D.

This provides an annual cost of living increase after one full year of disability.

The increase will be based on the change in the CPI-U and will never be less than 2% or greater than 6%, compounded annually.

Increase applies to the total disability benefit, Enhanced Plus, Enhanced or Basic Residual disability benefit and Social Insurance Substitute benefit, if these riders are part of the policy.

Insured has a conditional right to purchase the increased amount upon recovery.

The additional coverage:

- (1) will be issued on a policy form that is regularly used by *us* at the time of issue and has terms similar to those of the *policy*, exclusive of riders; and
- (2) may contain riders if approved by *us*; and
- (3) will have an *issue date* which is the later of the date:
 - (a) the application for additional coverage is approved by *us*; or
 - (b) the first premium for this coverage is paid; and
- (4) will have the Time Limit for Certain Defenses provision measured from the *issue date* of the additional coverage; and
- (5) may contain ratings, exclusions or limitations, if they were a part of the *policy*; and
- (6) may be an amount up to the adjusted monthly income benefit payable at the end of the period of *disability* from which *you* have recovered within the last 90 days, reduced by the *base monthly benefit* shown on the *schedule*, and will be subject to *our* Issue & Participation limits and *our* underwriting rules and guidelines at time of purchase, but will only be issued if this amount is at least \$300.

GENERAL PROVISIONS

RIDER SPECIFICATIONS. This rider is based on the application for this rider and payment of its premium.

This rider takes effect on the *issue date* of the *policy* unless a different *issue date* for this rider is shown on a revised *schedule*. As applied to this rider, the Time Limit for Certain Defenses and Pre-Existing Conditions provisions of the *policy* will be measured from the later of the *issue date* of the *policy* or of this rider.

TERMINATION. This rider terminates on the earliest of the following:

- (1) the date the *policy* terminates; or
- (2) the *policy* expiry date shown on the *schedule*, even if *you* renew the *policy* as provided under the Conditionally Renewable for Life provision in the **PREMIUM AND RENEWAL PROVISIONS** (Part IV) section of the *policy*; or

COST OF LIVING ADJUSTMENT RIDER - 3% MAXIMUM

This rider is made a part of the underlying *policy* to which it is attached. This rider is subject to all definitions, provisions, exceptions, limitations, and other terms of the underlying *policy* unless specifically changed by this rider. Any references in this rider to "the *policy*" refer to the underlying *policy* to which this rider is attached.

This rider provides for an annual cost of living adjustment in certain monthly income benefits during *disability*.

DEFINITIONS

CPI-U. *CPI-U* is the Consumer Price Index for All Urban Consumers. It is published by the United States Department of Labor. If the *CPI-U* is replaced or changed, we will use the index that has been approved by the Interstate Insurance Product Regulation Commission. We will notify the *owner* before using any such replacement. *CPI-U* will then mean the chosen index.

INITIAL INDEX. For each *disability* claim, we will determine the *CPI-U* value for the third month prior to the onset of *your disability*. This is called the *initial index*. It will remain fixed for the duration of each *disability* claim.

CURRENT INDEX. On each anniversary of the onset of *your disability*, we will determine the *CPI-U* value for the third month prior to that date. This is called the *current index*.

INDEX RATIO. The lesser of:

- (1) the *current index* divided by the *initial index*; or
- (2) 1.03, compounded annually when measured from the onset date of *your disability* to the most recent anniversary of that onset.

This ratio will never be less than 1.00.

MONTHLY INCOME BENEFIT. If we are paying you a *total disability* benefit, this is equal to the *base monthly benefit* shown on the *schedule*. If we are paying you a *residual disability* benefit, the *monthly income benefit* is equal to the *residual monthly benefit* as determined in the residual rider attached to the *policy*. If the *policy* includes a *partial disability* benefit and we are paying you under that provision, the *monthly income benefit* is equal to the *partial monthly benefit* as determined in that provision.

BENEFIT PROVISIONS

ADJUSTED MONTHLY INCOME BENEFIT. As long as you are receiving a *monthly income benefit* under the *policy*, on each anniversary of the onset date of *disability*, we will adjust the *monthly income benefit* by the *index ratio* as follows:

Adjusted Monthly Income Benefit = *index ratio* multiplied by the *monthly income benefit*

RIGHT TO PURCHASE ADDITIONAL COVERAGE UPON RECOVERY. You have the right to purchase additional *base monthly benefit* if:

- (1) for a period of *disability*, you have received benefits that were increased under the terms of this rider; and
- (2) you are not receiving benefits, including waiver of premium, under the *policy* or any of its riders; and
- (3) you apply for this additional coverage within 90 days from the date *your disability* ends but before age 60; and
- (4) your application includes satisfactory evidence that you have fully recovered and are working in your *occupation* on a full-time basis at least 30 hours each week; and
- (5) a plan similar to the *policy* to which this rider is attached is available at your attained *age*.

Available to occupation classes 6A - 2A and 6M - 2M, 4P and 4D.

This provides an annual cost of living increase after one full year of disability.

The increase will be based on the change in the CPI-U and will never be greater than 3%, compounded annually.

Increase applies to the total disability benefit, Enhanced Plus, Enhanced or Basic Residual disability benefit and Social Insurance Substitute benefit, if these riders are part of the policy.

Insured has a conditional right to purchase the increased amount upon recovery.

The additional coverage:

- (1) will be issued on a policy form that is regularly used by *us* at the time of issue and has terms similar to those of the *policy*, exclusive of riders; and
- (2) may contain riders if approved by *us*; and
- (3) will have an *issue date* which is the later of the date:
 - (a) the application for additional coverage is approved by *us*; or
 - (b) the first premium for this coverage is paid; and
- (4) will have the Time Limit for Certain Defenses provision measured from the *issue date* of the additional coverage; and
- (5) may contain ratings, exclusions or limitations, if they were a part of the *policy*; and
- (6) may be an amount up to the adjusted monthly income benefit payable at the end of the period of *disability* from which *you* have recovered within the last 90 days, reduced by the *base monthly benefit* shown on the *schedule*, and will be subject to *our* Issue & Participation limits and *our* underwriting rules and guidelines at time of purchase, but will only be issued if this amount is at least \$300.

GENERAL PROVISIONS

RIDER SPECIFICATIONS. This rider is based on the application for this rider and payment of its premium.

This rider takes effect on the *issue date* of the *policy* unless a different *issue date* for this rider is shown on a revised *schedule*. As applied to this rider, the Time Limit for Certain Defenses and Pre-Existing Conditions provisions of the *policy* will be measured from the later of the *issue date* of the *policy* or of this rider.

TERMINATION. This rider terminates on the earliest of the following:

- (1) the date the *policy* terminates; or
- (2) the *policy* expiry date shown on the *schedule*, even if *you* renew the *policy* as provided under the Conditionally Renewable for Life provision in the **PREMIUM AND RENEWAL PROVISIONS** (Part IV) section of the *policy*; or
- (3) the date *we* receive the *owner's* written request to terminate this rider.

SOCIAL INSURANCE SUBSTITUTE RIDER

This rider is made a part of the underlying *policy* to which it is attached. This rider is subject to all definitions, provisions, exceptions, limitations, and other terms of the underlying *policy* unless specifically changed by this rider. Any references in this rider to "the *policy*" refer to the underlying *policy* to which this rider is attached.

This Social Insurance Substitute (SIS) rider provides an additional monthly benefit as defined below while *you* are *totally disabled*.

DEFINITIONS

SOCIAL INSURANCE BENEFITS. Means payments of disability or retirement benefits under:

- (1) the Federal Social Security Act under:
 - (a) a Primary Insurance Amount (PIA); or
 - (b) a PIA and a Family Benefit for dependents;
- (2) any Worker's Compensation, Occupational Disease, or Employer's Liability program;
- (3) Government Retirement and Disability Fund Benefit including:
 - (a) disability compensation, including amounts for dependents under any federal, state, county, municipal or other government subdivision retirement and disability fund for which *you* may be eligible; or
 - (b) any payment that results from elective retirement;
- (4) any other similar federal, state or local governmental program.

SIS MONTHLY BENEFIT. Means the maximum benefit amount that will be paid each month under this rider, as shown on the *schedule*.

MAXIMUM BENEFIT PERIOD. Means the maximum length of time that *we* will pay benefits under this rider, not to exceed the *maximum benefit period* for *total disability* shown on the *schedule*. With respect to all provisions of this rider combined, payment will not be made for more than the *maximum benefit period*.

SIS ELIMINATION PERIOD. Means the period of time *you* must be *disabled* before *we* start paying benefits under this rider. Benefits will not accrue or be payable during the *SIS elimination period*. This period is shown on the *schedule*.

SIS ACCUMULATION PERIOD. Means the uninterrupted period of consecutive days during which the *SIS elimination period* must be satisfied. This period is shown on the *schedule*.

BENEFIT PROVISIONS

The *SIS monthly benefit* payable under this rider is supplemental to benefits otherwise payable. The *base monthly benefit* payable under the *policy* will not be affected by any *SIS monthly benefit* paid. *Social insurance benefits* received during *your disability* could reduce the *SIS monthly benefit* payable under this rider to zero. However, in no circumstance will those *social insurance benefits* affect the *base monthly benefit* payable under the *policy*.

BENEFITS FOR TOTAL DISABILITY. If *you* are receiving a *base monthly benefit* under the *policy*, *we* will pay a *SIS monthly benefit*, reduced by any *social insurance benefits* being received, for each month *you* are *totally disabled* after the *SIS elimination period*.

BENEFITS FOR RESIDUAL DISABILITY (Provided the *policy* includes a residual benefit). If *you* are not receiving any *social insurance benefits* and *you* are receiving a *residual monthly benefit* under the *policy*, for each month *you* are *residually disabled* after the *SIS elimination period*, *we* will add the *SIS monthly benefit* to the *base monthly benefit* when *we* determine what benefits to pay under *residual disability*.

Available to occupation classes 6A - B and 6M - M, 4P and 4D.

There is a time limit for satisfying the elimination period. This is called the accumulation period.

This benefit is supplemental to the base monthly benefit. It could be offset by other social insurance benefits received during disability. Social insurance benefits will not affect the base monthly benefit.

Dollar-for-dollar offset with social insurance benefits.

A portion of the SIS monthly benefit will be paid for a residual disability, if there is a residual rider on the policy.

BENEFITS FOR PARTIAL DISABILITY (Provided the policy includes a partial benefit). If you are not receiving any social insurance benefits and you are receiving a partial monthly benefit under the policy, for each month you are partially disabled after the SIS elimination period, we will add the SIS monthly benefit to the base monthly benefit when we determine what benefits to pay under partial disability.

COST OF LIVING ADJUSTMENT (Provided the policy contains a Cost of Living Adjustment Rider). If the SIS monthly benefit has been included in determining your disability benefits and you are receiving disability benefits under the policy, we will add the SIS monthly benefit, reduced by any social insurance benefits being received, to the base monthly benefit when determining the benefits payable under the Cost of Living Adjustment Rider.

SUCCESSIVE PERIODS OF TOTAL DISABILITY. Once the SIS elimination period has been satisfied, for successive periods of total disability as defined in the **BENEFIT PROVISIONS** (Part II) section of the policy, you will not be required to satisfy a new SIS elimination period.

Periods of total disability will be construed to include periods of residual disability or partial disability provided the policy contains a residual or partial benefit.

GENERAL PROVISIONS

We cannot require you to accept reduced Social Security retirement benefits.

If benefits have been paid under this rider and you receive retroactive social insurance benefits, then we will not seek reimbursement from you.

If you fail to notify us that you are receiving periodic payment of social insurance benefits and an overpayment of benefits occurs under this rider, you must repay us the overpayment.

If you receive a lump sum award in lieu of continued periodic payments for loss of income, the lump sum payment will be pro rated on a monthly basis over the time period for which payment was intended. If this time period is not specified, we will make a reasonable determination as to the time period for which payment may have been intended. We will allow for reasonable adjustments to the lump sum amount if the award specifies that portions of the lump sum were for loss of function, dismemberment, attorney fees, and/or medical treatment. If such portions of the lump sum are not otherwise determinable, no adjustments will be allowed.

LEGISLATIVE INCREASES. During your disability, legislated automatic increases may be made to your social insurance benefits. These increases will not be included in computing the benefit payable under this rider.

PROOF OF SOCIAL INSURANCE BENEFIT STATUS. We must receive proof of the status of your social insurance benefits before we will pay benefits under this rider. This proof must show that:

- (1) you have applied for all social insurance benefits to which you may be entitled; and
- (2) such benefits have been approved, denied, or are still pending.

These same proof requirements apply if your family may be eligible for social insurance benefits due to your disability.

You must provide us with proof as often as we deem necessary.

APPEAL OF SOCIAL INSURANCE BENEFITS. If social insurance benefits are denied, we may require you to appeal the denial. We will pay the expense incurred for such appeal, if we require you to do so. If we do not require you to appeal a verdict, you may do so on your own, at your own expense.

RIDER SPECIFICATIONS. This rider is based on the application for this rider and payment of its premium.

SISR also applies to the partial disability benefit if the Enhanced Plus, Enhanced or Basic Residual Disability Rider is not a part of the base policy.

SISR benefits can also be increased under the Cost of Living Adjustment Rider if that rider is a part of the base policy.

If the insured receives retroactive social insurance benefits, we will not seek reimbursement if payments have been made under this rider for that period.

Benefits under this rider will not be reduced by legislative increases in social insurance benefits.
