PAYMENT OF PROCEEDS

Proceeds

Proceeds mean the amount payable upon:

1. the death of the Insured; or
2. surrender of the Policy; or
3. the Maturity Date.

Payment of Death Benefit

The Death Benefit of this Policy will be paid in a lump sum, in accordance with its terms, upon receipt of proof, satisfactory to Us, at Our Administrative Office that the Insured has died. Interest on the Death Benefit will accrue from the date of death to the date of payment at a rate of at least 3%. Additional interest, at a rate of 10% will be paid if the death benefit is not paid within 31 days from the latest of: (1) Our receipt of Satisfactory Proof of Insured's Death, (2) Our receipt of sufficient information to determine the payee; and (3) removal of any legal impediments to payment of proceeds that were dependent upon parties other than Us. We may require that the Policy be returned to Us before We make any payment, which will be in a single payment. The Company retains its right to conduct an investigation before benefits are paid, subject to the incontestability provision. In addition, in the absence of actual evidence of a material misrepresentation, the company will attempt in good faith to effectuate prompt, fair and equitable settlement of claims submitted to the insurer in which liability has become reasonably clear.

Death Benefit

The Death Benefit payable at the death of the Insured is:

1. the Face Amount; plus
2. any premium paid for a period after the end of the Policy month in which the Insured dies; less
3. the amount of premium due to the end of the Policy month in which the Insured dies; less
4. any Indebtedness under the terms of this Policy.

Proceeds Payable Upon Surrender

You may, upon written request, surrender this Policy at any time. If the request is made after a recently paid premium or while in the Grace Period, the proceeds payable will be the Net Cash Value determined at that point. The Net Cash Value, if any, will be determined as provided in the Nonforfeiture Options provision. If the Reduced Paid-Up Endowment Nonforfeiture Option is in effect, the Net Cash Value will be determined as of the date the request for surrender is received. Our payment of the Net Cash Value to You will terminate this Policy.

Proceeds Payable At Maturity Date

If the Insured is alive on the Maturity Date, We will pay the Net Cash Value to the Owner. Payment will terminate this Policy. We may require that the Policy be returned to Us before we make any payment.

Rider Proceeds

Proceeds payable under any rider attached to the Policy will be governed by the terms of the Rider, subject to applicable provisions of this Policy.

OWNERSHIP AND BENEFICIARY

Owner

The Owner is the person named on the Policy Specification page or in any subsequent changes shown in our records. If an Owner is not named on the Policy Specification page, the Insured is the Owner. In the event that more than one Owner is named, all elections and other actions that may be taken by the Owner pursuant to the terms of the Policy require joint action of all such persons.

Rights of the Owner

While the Insured is living, You may exercise all rights allowed in this Policy. These rights include, but are not limited to:

1. changing the beneficiary;
2. transferring ownership or assigning this Policy;
3. receiving benefits; and
4. reinstating this Policy.

Transfer of Ownership

If You transfer ownership of this Policy, Your ownership rights terminate and the new Owner will be entitled to all rights available under this Policy. To transfer ownership, We must receive a written request from You on a form satisfactory to Us during the lifetime of the Insured. The written consent of any irrevocable beneficiary on a form satisfactory to Us is also required. Your written request, once received in Our Administrative Office, will be effective as of the date You signed the request. A transfer of ownership will not apply to any actions, including payments, taken by Us before the transfer has been received by Us.

Beneficiary

The Primary Beneficiary(ies) and any contingent Beneficiary(ies) are named in the Application or last beneficiary designation filed with Us. If no Beneficiary is named in the Application You will be the Beneficiary. If more than one Primary Beneficiary is named, death benefits will be paid in equal shares to the primary beneficiaries who survive the Insured unless the Owner has provided otherwise in the Application or last designation. If no Primary Beneficiary is living when the Insured dies, death benefits will be paid in equal shares to the contingent beneficiaries who survive the Insured unless the Owner has provided otherwise in the Application or last designation. If no Beneficiary is living when the Insured dies, death benefits will be paid to the estate of the Insured.

Common Disaster

If any Beneficiary dies with the Insured in a common disaster, the proceeds will be payable as if that Beneficiary died before the Insured, unless it is proven to Our satisfaction that the Insured died first.

Change of Beneficiary

To change a beneficiary we must receive a written request from You on a form satisfactory to Us during the lifetime of the Insured. The written consent of any irrevocable beneficiary on a form satisfactory to Us is also required. Your written request, once received in Our Administrative Office, will be effective as of the date You signed the request. A change of beneficiary will not apply to any actions, including payments, taken by Us before the change has been received by Us.

Assignment

This policy may be assigned. No assignment will be recognized by Us unless a copy is filed with Us. We are not responsible for the validity of any assignment. Any claim by an assignee is subject to proof of the validity and extent of the assignee's interest in the Policy. Assignments, unless otherwise specified by You, shall take effect on the date You signed the assignment, subject to any payments made or actions taken by Us prior to the receipt of this notice

Collateral Assignment

To assign this Policy as collateral we must receive a written request from You on a form satisfactory to Us during the lifetime of the Insured. The consent of any irrevocable beneficiary on a form satisfactory to us is also required. The assignment will be effective as of the date you signed the request, subject to any payments made or actions taken by Us prior to receipt of the request. Your rights and those of the Beneficiary will then be subject to the assignment. We are not responsible for the validity of the assignment.

PREMIUMS

Premiums

Premiums are payable in the amount and frequency shown on the Policy Specifications page. You may change the frequency of the premium payment subject to Our approval. If a part of the premium ceases to be payable under the provision of a Rider, the premium will be reduced accordingly. If premiums are paid more frequently than on an annual basis, their sum total may be more than the annual premium for the same time period.

When Premiums Are Due

The first premium is due as of the Policy Date. Premiums are payable at Our Administrative Office. Each subsequent premium, after the first premium, is due on the first day following the period covered by the preceding premium.

To keep this contract in full force, all premiums must be paid when due, or before the end of the 31-day period after the due date of an unpaid premium, as described in the Grace Period provision.

Grace Period

A Grace Period of 31 days will be allowed for payment of a premium after its due date. The Grace Period will begin on the premium due date. The Grace Period does not apply to the first premium. Your Policy will continue in force during the Grace Period.

If the Insured dies during the Grace Period, We will deduct from the proceeds of the Policy, the past premiums due from the due date up to the last day of the Policy month in which the Insured dies.

Nonpayment of Premiums

If any premium is not paid when due and if such premium is not paid within the Grace Period, such premium shall be in default. If this Policy has no Net Cash Value, this Policy will cease to be in force and will have no value at the end of the Grace Period. If this Policy has a Net Cash Value, the Nonforfeiture Options provision will apply, subject to the Automatic Premium Loan Option section below.

AUTOMATIC PREMIUM LOAN OPTION

If You so elect, We will automatically make a loan, to cover a premium not paid by the last day of the 31-day grace period. The loan will be made as of the premium due date.

We will not make an automatic premium loan that will cause the policy debt to exceed the Cash Value on the next premium due date. If there is insufficient Net Cash Value to borrow through an Automatic Premium Loan to pay the next modal premium, the Nonforfeiture Options will apply.

You may elect to terminate this automatic premium loan provision at any time. The cancellation will apply to premiums coming due after the date We receive written notice of cancellation at Our Administrative Office.

NONFORFEITURE OPTIONS

Prior to the policy anniversary, if premiums are no longer being paid, You may request one of the options below:

Your written request must be received by Us at Our Administrative Office by the end of sixty (60) days after the due date of the premium in default.

The Guaranteed Policy Values and Nonforfeiture benefits for the Options described below are shown in the Table of Guaranteed Policy Values on the Policy Specifications Page.

Cash Surrender

Surrender consists of Our payment to You of the Net Cash Value. The Net Cash Value will be the amount determined at the beginning of the Grace Period, if any. Upon payment of this Option, this Policy will terminate.

If the Policy is surrendered within thirty-one (31) days after a Policy anniversary, the Net Cash Value will be the Cash Value on that anniversary, less any Indebtedness made on or after such anniversary. Upon surrender of the Policy within sixty (60) days after the due date of any premium payment in default after premiums have been paid for at least three (3) full years, We will pay the Cash Value in lieu of any paid-up Nonforfeiture benefit.

We may delay paying the Net Cash Value for not more than six (6) months after the date the written request for surrender is received. We will pay interest per year at the annual rate of at least 3% on payments delayed for ten (10) working days or more.

Reduced Paid-Up Endowment: If this option is elected, this Policy will continue as a Paid-Up Endowment. The Net Cash Value will be the amount determined at the beginning of the Grace Period. The amount of the Paid-Up Endowment purchased will be the amount the Net Cash Value will purchase at the Insured's sex and attained age at the beginning of the Grace Period.

Automatic Nonforfeiture Option

Reduced Paid-Up Endowment is the automatic Nonforfeiture option, unless the Insured has made an election for another option no later than sixty (60) days after the due date of the premium in default.

BASIS OF COMPUTATIONS

Cash Surrender and Reduced Paid-Up Endowment

Values are based on the mortality table and the interest rate shown in the Table of Guaranteed Policy Values within the Policy Specifications pages, showing the cash values, if any and paid-up Nonforfeiture benefits, if any, available under the Policy during the term of the Policy. Such values are calculated upon the assumption that there is no Indebtedness on the Policy.

The nonforfeiture values for this Policy are equal to or greater than those required by law in the state of New York. The cash surrender values and paid-up nonforfeiture benefits are not less than those required by law in the state of New York. A detailed statement of the method of computing the values and benefits shown in the policy has been filed with the insurance supervisory official in the state of New York.

Any Cash Surrender Value and any paid-up Nonforfeiture benefit available under the Policy in the event of default in premium payment due at any time other than on a Policy anniversary will be calculated with allowance for the lapse of time and the payment of the fractional premiums from the last preceding Policy anniversary.

LOANS

Policy Loans

You may obtain a loan while this Policy is in force. This Policy is the security for the loan.

The loan may not exceed the Net Cash Value on the next Policy anniversary.

Loan interest is payable in arrears at a fixed loan interest rate of 8.0% per year during the entire life of the Policy. The year will start on the date the loan is made and end 365 days later.

Loan interest will accrue from the date each loan is made. Interest is payable in each Policy year. If the loan interest is not paid when due, it will be added to the existing loan and will bear interest at an annual interest rate of 8.0%.

We may delay making a loan, unless it is being used to pay premiums, for not more than six (6) months after the date the application for the loan is received. We will pay interest at the annual rate of at least 3% on payments delayed for 10 working days or more.

Policy Loan to Pay Income Taxes

We will make an automatic policy loan at any time necessary for Us to pay withholding tax on Your behalf, whenever You elect to have Us withhold tax for the Policy (or in the event You fail to provide Us with a timely election NOT to withhold such tax).

If the amount of the policy loan and accrued interest necessary to pay withholding tax on Your behalf is greater than the Net Cash Value of this Policy, the Nonforfeiture Options will apply.

Loan Repayment

A loan may be repaid at any time while this Policy is in force. A loan that exists at the end of the Grace Period may not be repaid unless this Policy is reinstated. Interest not paid on any Indebtedness shall be added to the existing loan and shall bear interest at 8.0% per year.

Indebtedness

Indebtedness means all existing loans on this Policy plus unpaid earned interest. Existing Indebtedness, including any due and accrued interest and any unpaid premiums to the end of the current policy year shall be deducted from the loan value or the proceeds of the loan. Any Indebtedness that has not been repaid shall be deducted from any Death Benefit that is paid. If at any time the total indebtedness equals or exceeds the Cash Value, this Policy will terminate without value. Notice will be mailed at least fifteen (15) and not more than forty-five (45) days prior to any such date when a payment is due. Termination will occur thirty (30) days after Our notice has been mailed to Your address and the address of any assignee of record.

REINSTATEMENT

If premiums are no longer being paid and the policy has not been surrendered for cash or cancelled, the Owner may reinstate it within three years after the due date of the first remaining unpaid premium, subject to the following requirements:

1. receipt of a written application for reinstatement during the lifetime of the Insured on a form provided by Us to You upon written request to Our Administrative Office;
2. approval of evidence of insurability satisfactory to Us;
3. payment of all overdue premiums with 6% interest compounded annually. Compounding of interest means that each year interest is added to the amount owed and begins to bear interest itself.
4. repayment or reinstatement of any accumulated Indebtedness that existed plus 8% interest compounded annually.

The suicide provision does not begin anew after reinstatement. We may contest a reinstated Policy until it has been in force during the Insured's lifetime for a period of two years from the date of reinstatement. Thereafter, the reinstated Policy is incontestable. We may contest the reinstated Policy only with respect to representations made in the application for reinstatement.

GENERAL PROVISIONS

Contract and Representations

This Policy is a legal contract. It is between You and Us. It consists of:

1. the Policy, endorsements, riders, and attachments, if any; and
2. any Application attached to the Policy.

This Policy constitutes the entire contract between You and Us.

Statements in any Application made by or on the authority of the applicant are deemed representations, not warranties. Unless a part of the Policy, no statement by the applicant or the Insured will:

1. reduce benefits; or
2. be used as a defense to a claim.

Changes

The terms of the Policy may be altered only by written agreement signed by Our President or a Vice President. This authority cannot be delegated.

Incontestability

We may contest this Policy or any rider on the basis of any material misrepresentation in the Application, supplemental application, reinstatement application or other document signed by the applicant that becomes part of the Policy.

Except after reinstatement, we cannot contest this Policy or any attached rider after it has been in force during the Insured's lifetime for a period of two years from the Issue Date except for failure to pay premiums. Any addition of a rider requiring evidence of insurability after the Issue Date shall be incontestable, after it has been in force during the Insured's lifetime for 2 years after the effective date of such addition of rider.

Suicide

If the Insured dies by suicide within two years from the Issue Date, the only amount payable by Us will be the premium paid for the Policy.

Misstatement of Age or Sex

If the Insured's Age or Sex has been misstated in the Application, the benefits and Face Amount will be that which the premium paid would have purchased for the correct Age or Sex.

Termination

This Policy will terminate on the earliest of:

1. the date We receive a written request from the Owner to terminate the Policy;
2. the date the Insured dies;
3. the Maturity Date; or
4. subject to the Nonforfeiture Provision, the end of the Grace Period, if a past due premium remains unpaid.
5. subject to the Indebtedness Provision, thirty (30) days after Our notice has been mailed to You and any assignee of record that total indebtedness equals or exceeds the Cash Value, if such amount has not been paid; or
6. the date on which this Policy is surrendered.

Nonparticipating

This Policy does not share in Our earnings.

Claims of Creditors

Some payments under this Policy may be exempt from the claims of creditors to the fullest extent permitted by law.
