# Providing a Sense of Security

#### How does this rider work?

Should you become totally disabled due to an accident, this benefit will provide up to \$2,000 per month of lost income for up to two years! <sup>2</sup>

## Self-employed?

Don't worry, you may qualify for coverage! That's right, our Accident Only Total Disability Income Rider is available for self-employed individuals.

### It happens more often than you would think...

The sobering fact for 20 year olds is that more than one in four of them becomes disabled before reaching retirement age. <sup>3</sup>

## Financial hardship could happen to you...

Should you become totally disabled, you may lose your income, which may make financially supporting yourself or your loved ones difficult. You may think Social Security Disability Insurance (SSDI) will cover you. Social Security paid an average monthly disability benefit of \$1,362 to all disabled workers. That is barely enough to keep a beneficiary above the 2024 poverty level (\$15,060 annually).<sup>3</sup>

## Could supplemental income help if you become Totally Disabled?

44% of Americans have enough savings to pay for an unexpected \$1,000 expense in cash. The rest would have to borrow, use a credit card, or take out a personal loan.  $^4$
