

Express DI Underwriting¹

MassMutual® is making it easier for your clients to obtain the coverage they need. Through our Express DI Underwriting program, applicants who meet certain criteria are eligible to apply for fully underwritten individual disability income (DI) insurance coverage and/or Business Overhead Expense (BOE) coverage with fewer requirements.

You simply submit a completed fully underwritten application. Eligible applicants will be identified during the underwriting process. You should also indicate in the detail section of the application that the insured is a candidate for the Express DI Underwriting program. MassMutual will request Medical Information Bureau (MIB), Milliman Claim Data Check and prescription (RX) checks.²

This program applies to Radius and Radius Choice new business and Right to Apply submissions. For BOE, applies to new business submissions only.
