

Who has your cancer policy?

Cancer Insurance From Our Critical AdvantageSM Portfolio

Products from Mutual of Omaha Insurance Company's Critical Advantage portfolio are designed with your recovery in mind.

Our Cancer Insurance pays you a cash lump-sum amount in the event you are diagnosed with cancer. That's money you can use for many of the costs associated with your diagnosis so you can focus on what matters most — your recovery.

Cancer. It's personal.

Nearly 1 in 3 men and women will develop cancer during their lifetime¹. Even if you've been fortunate enough to live cancer-free so far, you likely know a loved one who has had the disease.

When you think of someone in your life who faced cancer, what hardships did they face, and which hurdles were they able to overcome once diagnosed? Would you be prepared, financially and otherwise, to face these same obstacles?

Here's what our product can cover:

- Ongoing living expenses like a mortgage, utilities and home maintenance
- Lost income from being out of work
- Home health or childcare services
- Travel to treatment facilities
- [Health insurance deductibles and copayments]

Did you know?

Breast, lung and bronchus, prostate and colorectal cancers account for almost 50% of all cancer deaths in the United States.²

The National Cancer Institute estimated costs for cancer care in America totaled \$208 billion in 2020.³

When cancer strikes, you have enough to worry about. Get back to living well. Let our cancer insurance policy help you cover the costs as you focus on recovery.
