PROTECTOR AD accidental death benefit coverage*

features:

Issue Ages:

18 – 60 (gender/tobacco neutral)

Accidental Death (AD) Benefit Amounts:

\$50,000/\$75,000/\$100,000

Protector AD's accidental death benefit increases each year and is double the initial amount at the end of the 20th policy year, while premiums remain level and are guaranteed. The policy builds cash value which, after the 20th year, equals 20 annual premiums. At the end of the 20th year, a return-of-premium (ROP) option is available, based on the annual premium.**

If the ROP option is elected, coverage terminates. Otherwise, coverage continues with annual premiums that will increase. See policy for details.
