<sup>1</sup> Living Benefits are provided by no additional premium Accelerated Benefit Riders. Receipt of accelerated benefits will reduce the cash value and death benefit, may be a taxable event and may affect a family's eligibility for public assistance programs. Please consult your personal tax advisor to determine the tax status of any benefits paid under this rider and with social service agencies concerning how receipt of such a payment will affect you. Riders are supplemental benefits that can be added to a life insurance policy and are not suitable unless you also have a need for life insurance. Riders are optional and may not be available in all states or on all products.
