

Charitable Giving Benefit

Help clients leave a larger legacy

With this benefit, your client's generosity can live on through a donation to their favorite charity at **no additional cost**.

How it works:

Like all life insurance policies, Symetra's permanent life insurance policies provide a death benefit that can be used to protect loved ones or transfer wealth.

That's important, but we wanted our products to work just a little bit harder. That's why we built them with a Charitable Giving Benefit that's available at no additional cost. When selected at issue, this rider provides the qualified charity of your client's choice with a gift equal to 1% of the base death benefit. Plus, they have the option to change their charity at any time while their policy is in-force.¹
