## Customer Completed Part B

Completed by the proposed insured online or by phone.

### Amount

For single-life products, add together face amounts issued and applied for with Principal® within the last 6 months to determine amount.

For survivorship products, medical and MVR requirements are based on half of the total face amount for each proposed insured. Electronic inspection reports and financial requirements are based on the total face amount applied for.

For any amount, the underwriter may request additional requirements for cause.

### Length of Studies

Physical Measurements, mature age questionnaires, blood profiles, and urine specimens are valid for 365 days from completion for ages 0-69, 180 days for ages 70 and above.

ECGs, financials, financial underwriting supplements, MVRs and inspection reports are valid for 365 days.

Applications/Part Bs are valid for 180 days subject to underwriting review.

Underwriting may request updated requirements for cause.
